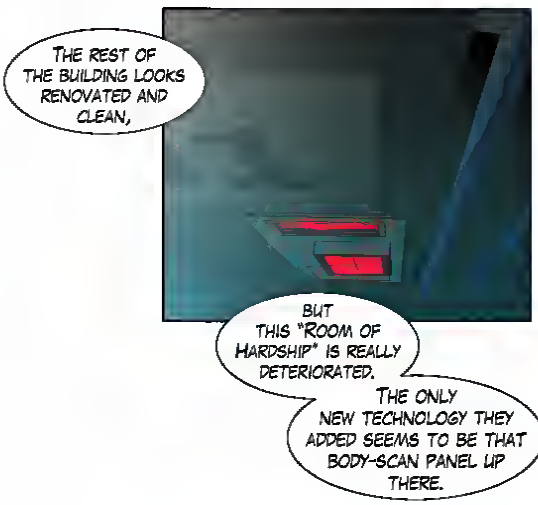
July 15, 2010...
Who wrote this?

There's a lot of writing over here too.
Whoever wrote this must have been trapped here for a really long time

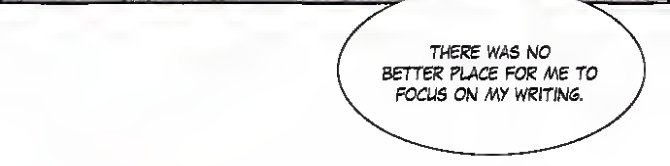


The rest of the building looks renovated and clean,
But this "Room of Hardship" is really deteriorated.
The only new technology they added seems to be that body-scan panel up there.

IN 2010, THIS PLACE...
MUST HAVE LOOKED TOTALLY DIFFERENT FROM HOW IT IS TODAY.
MAYBE IT'S BECAUSE UNNI IS A FANTASY WRITER...
THIS PLACE MUST INTEREST YOU QUITE A BIT.
I'M JUST CONSIDERING THE IDEA...
ARE... YOU REALLY A COP?

IT'S BECAUSE OF YOU THAT I GOT PULLED INTO THIS RIDICULOUS SITUATION!
WELL... WHEN YOU PUT IT LIKE THAT... I HAVE NO COMMENT
WHILE I WAS TRAVELING I FELL IN LOVE WITH THE VILLAGE.
IT WAS SO PEACEFUL.. AND QUIET.. AND THE FRESH COUNTRY AIR WAS TO DIE FOR.
I FELT LIKE IF I STAYED HERE, I'D BE ABLE TO WRITE SOMETHING AMAZING

OTHER THAN THE LANDLORD BEING A LITTLE CREEPY,



THERE WAS NO BETTER PLACE FOR ME TO FOCUS ON MY WRITING.

THE...
...LANDLORD?

UNNI,
WEREN'T YOU LIVING
IN THE HOUSE WITH
THE BLUE ROOF?
THE ONE AT
THE ENTRANCE TO THE
MOUNTAIN PASS...

WHAT ARE YOU TALKING ABOUT?

I'VE NEVER SEEN...
A HOUSE LIKE THAT.

TV.

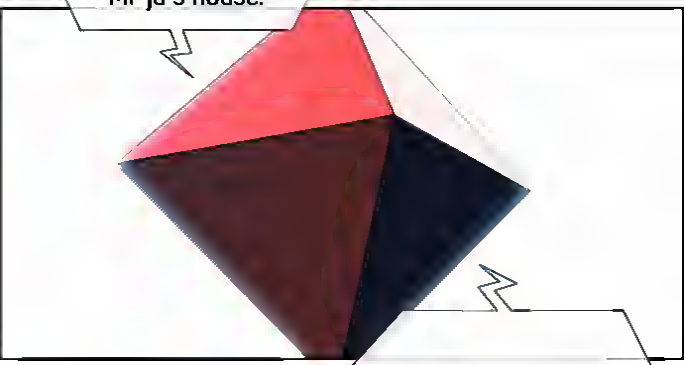
LAPTOP.

RADIO.

They've completely destroyed all means of communication with the outside world.
The only people who live in the village are old people. There's a camera in the scarecrow and all connection to the outside is cut off...
And under that desk, that stain...
It looks like blood.

IT'S A GOOD THING I BROUGHT MY DRONE
click
<3S Drone>
Magician-class element analysis equipment. Compared to the investigative agency KARA, its ability is low.
That drone won't be enough for a complete element analysis
Whoosh
I THOUGHT I TOLD YOU NOT TO SHOW YOURSELF SO CARELESSLY.
Well, why not? You're the only person here
FOR SOME REASON, THAT COMMENT DEPRESSES ME.
I DON'T NEED AN EXTREMELY DETAILED ANALYS.
THE IMPORTANT THING IS FINDING OUT WHETHER OR NOT IT'S HUMAN BLOOD.

This is just a feeling, but I don't think this is Youn Mi-ju's house.



You agree, don't you, Detective?

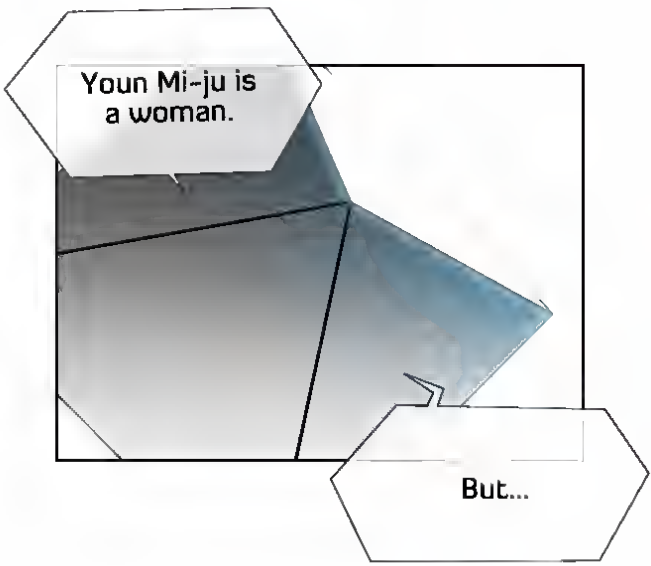
YEAH. THERE ARE TRACES OF A BREAK-IN BUT THE ELECTRICITY IS STILL RUNNING

IF THE LIGHTS DON'T TURN ON, IT MEANS THAT EITHER THE ELECTRICITY WAS CUT OR THE PLUG WAS PULLED.

PERSONALLY, IF I WAS THE CULPRIT, I WOULD HAVE CUT THE ELECTRICITY FIRST.

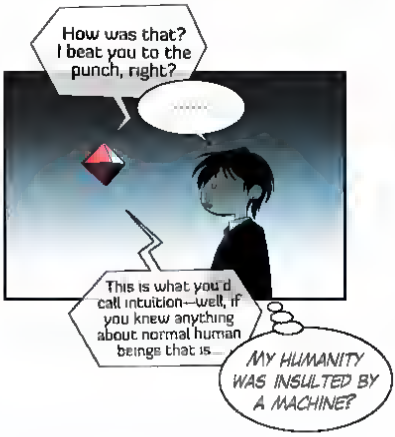
Plus,
THE STATE OF THE FOOD IN THE REFRIGERATOR IS WAY TOO FAR GONE.
YOUN MI-JU DISAPPEARED A WEEK AGO, BUT THE FOOD LOOKS LIKE IT'S BEEN ROTTING FOR SEVERAL MONTHS,
EVEN IF IT IS THE MIDDLE OF WINTER.
Human blood composition does not match. Rabbit blood composition made a match.
See?
Yes Detective Kim, you are indeed great.

I didn't think as far ahead as you but,
I did catch one detail that you missed.
WHAT?
WHEN DID I MISS ANYTHING?

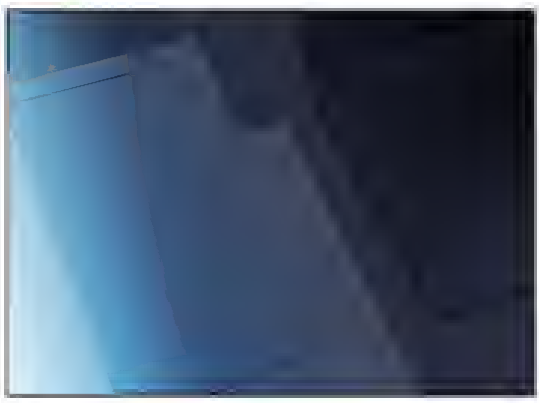


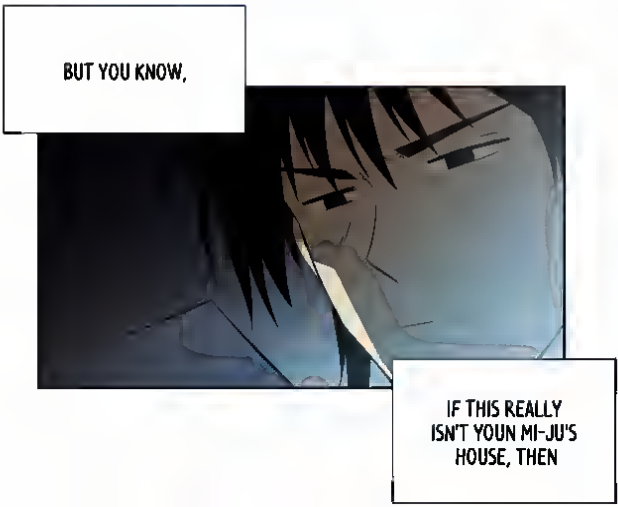
Youn Mi-ju is a woman.
But...

But nowhere in this house...
...has the feel of a "female's touch."

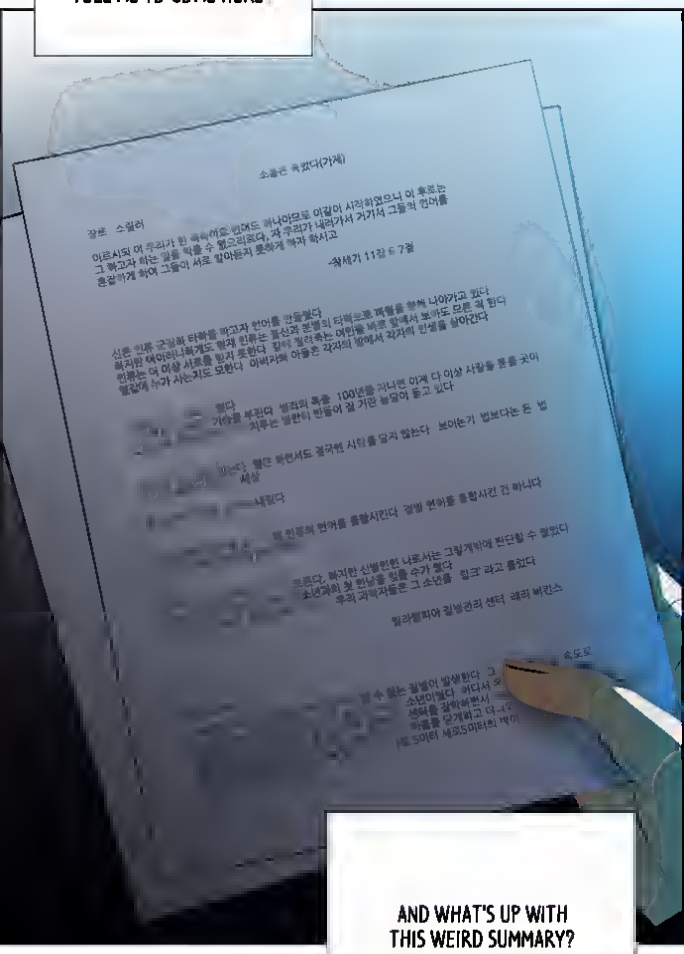


How was that? I beat you to the punch, right?
.....
This is what you'd call intuition—well, if you knew anything about normal human beings that is...
MY HUMANITY WAS INSULTED BY A MACHINE?





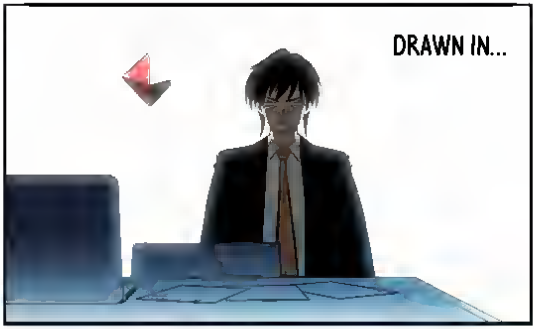
BUT YOU KNOW,
IF THIS REALLY ISN'T YOUN MI-JU'S HOUSE, THEN



WHY DID THAT OLD MAN TELL ME TO COME HERE?
AND WHAT'S UP WITH THIS WEIRD SUMMARY?

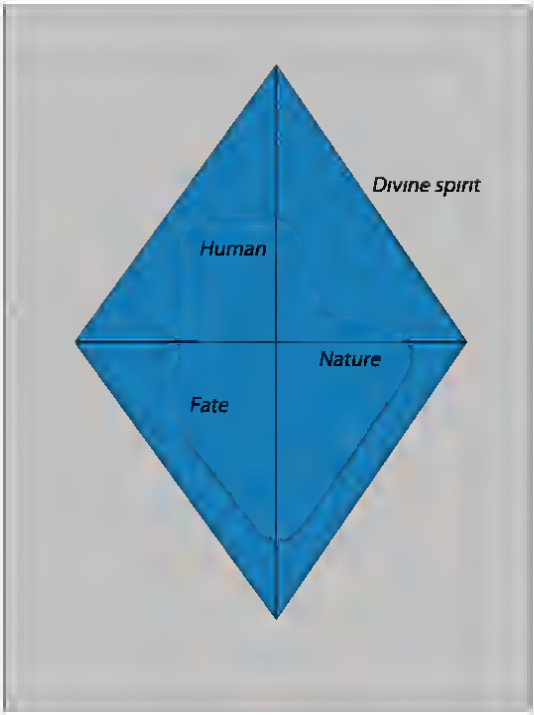
TWO PAGES OF SYNOPSIS.

AND OTHERS PAGES
WITH WEIRD SYMBOLS.

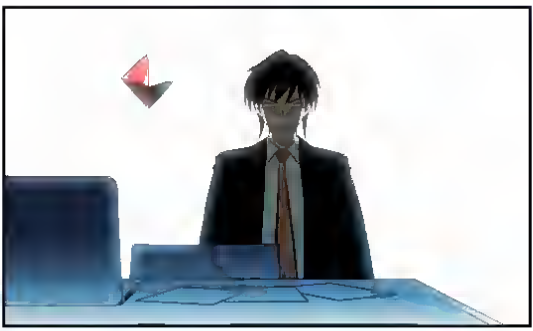


DRAWN IN...

.....



Divine spirit
Human
Nature
Fate



What is it?
WHAT DO YOU MEAN, "WHAT?" THIS LOOKS LIKE YOU!
WHY ARE YOU DRAWN HERE?!
Hm? You're right.

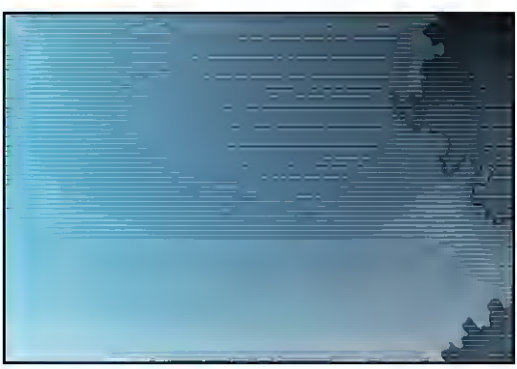
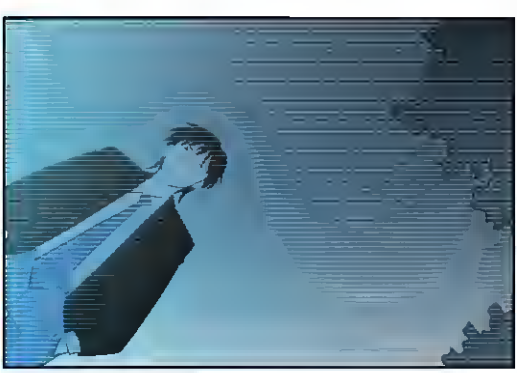
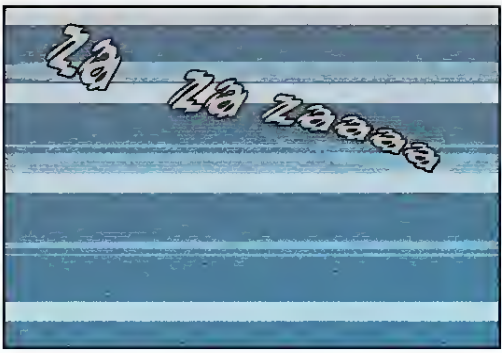
Pzzzzz



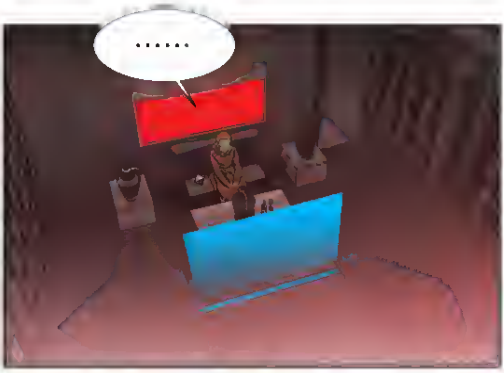


It's a camera.
What are you going to do?

Oh? Are you seeing this?
I'll be seeing you soon.



La La Laaaa



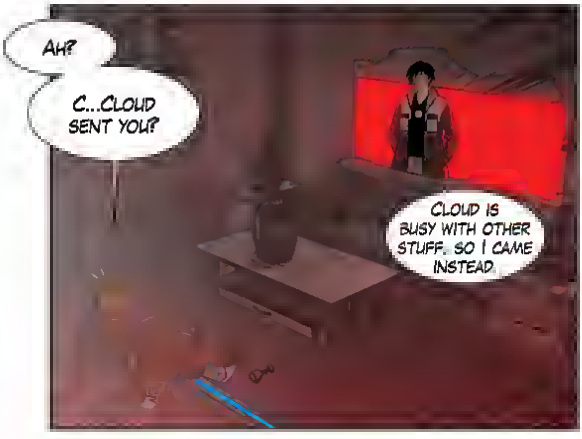
.....

WHO IS THIS BASTARD?
Flicker
COULD HE BE WITH THAT BLONDE GIRL?
WELL, WHO CARES. IF I JUST GRIND HIM UP, HE'LL STOP...
GRIND? GRIND WHAT?

HEEEEEEEIIIIKKKK!
CLANG
BANG

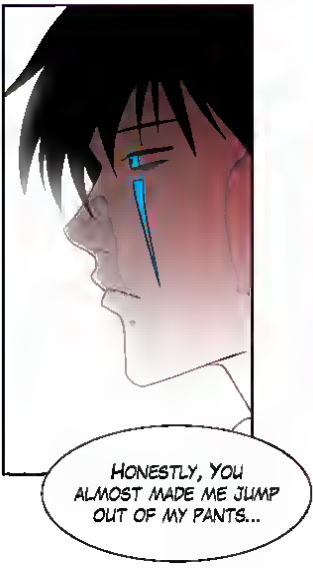
WHO IS IT? WHO ARE YOU?
HOW DID YOU...?

Are you Cloud's Provider?



Ah?
C...Cloud sent you?
Cloud is busy with other stuff, so I came instead.

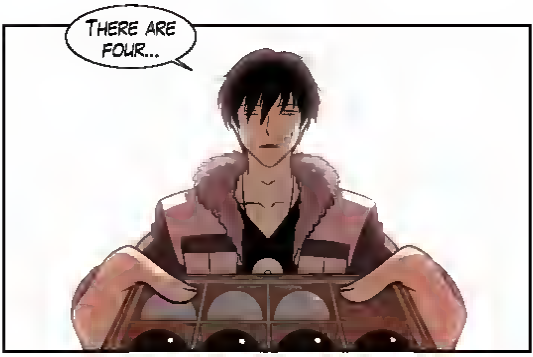
Right, your cheeks have the same light...



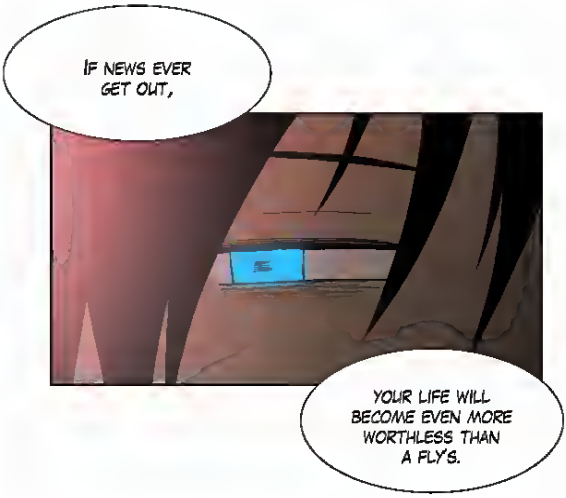
Honestly, You almost made me jump out of my pants...

Were you afraid that I wouldn't acknowledge you as Cloud's Provider? Are you a "Gi Man" specialist?
There are different types of magicians. Even at your best, your magic only amounts to so little

*T/N Gi Man is the art of trickery



You know, you're a real villain.
You're not meant to be a simple guard here.
Oh,
Cloud may have already told you, but,
We don't care about whatever you're playing around with here.
Just...
make sure that the "Experiment Room" in the basement...
is never revealed to the outside world.



If news ever get out,
your life will become even more worthless than a fly's.

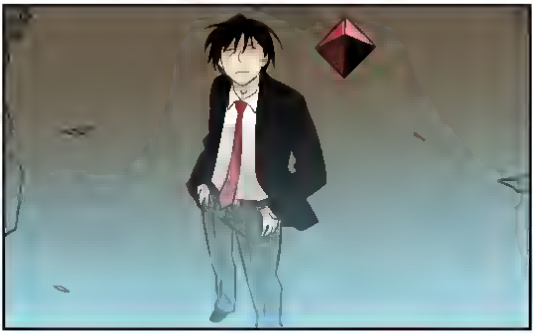
.....

Um...
are you leaving now?

I wish I could,
but I think I will take a look around the village first.

THERE'S SOMEONE I NEED TO SEE.
STEP...

Skoooooo...



FINALLY ENLIGHTENMENT DAWNS,
ON THE SERIOUS "SECRET OF CHILDBIRTH!!!"
CLENCH
The secret no one wants to know about!
I'm telling you, it's fate!!

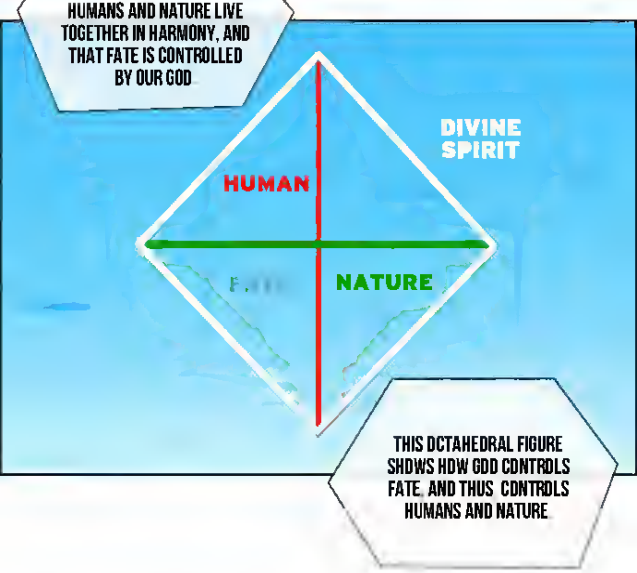
#04_Extremist Beliefs(8)

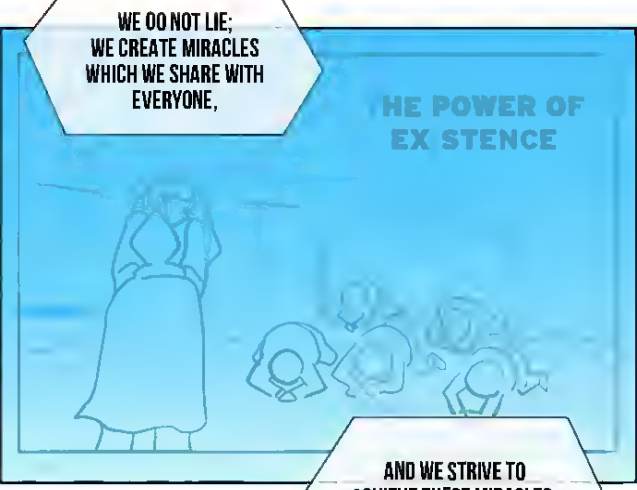
THOUGH WE MAY BE A SMALL GROUP, WE ARE PLEDGED ONLY TO PURSUE THE TRUTH.

WE BELIEVE THAT HUMANS AND NATURE LIVE TOGETHER IN HARMONY, AND THAT FATE IS CONTROLLED BY OUR GOD

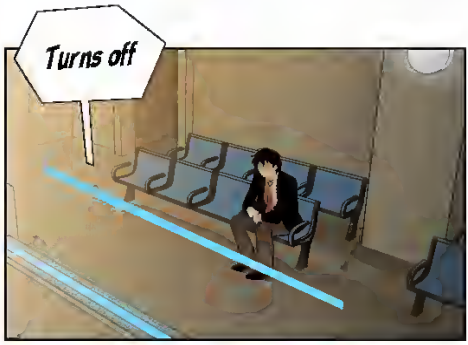


THIS OCTAHEDRAL FIGURE SHOWS HOW GOD CONTROLS FATE, AND THUS CONTROLS HUMANS AND NATURE

WE DO NOT LIE; WE CREATE MIRACLES WHICH WE SHARE WITH EVERYONE,

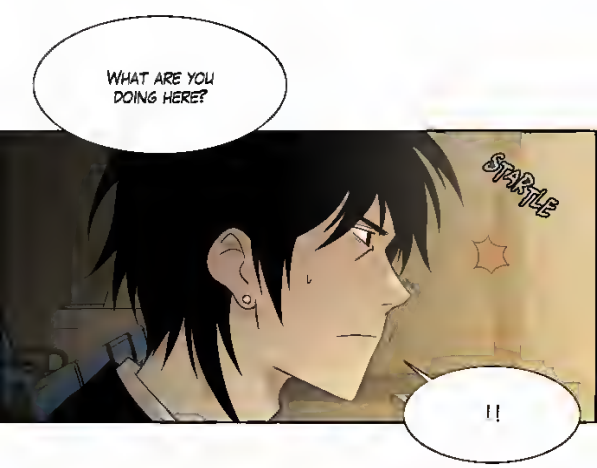


AND WE STRIVE TO ACHIEVE THESE MIRACLES. THAT IS THE TRUE AIM OF OUR CHURCH!

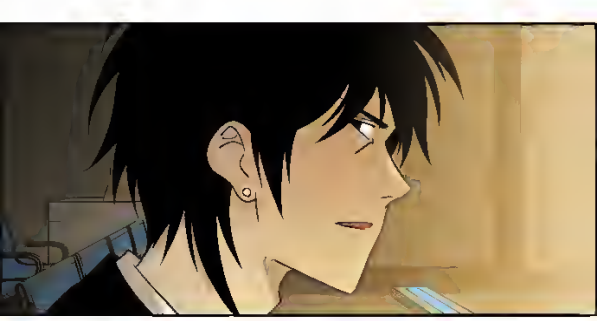


Turns off

IS THIS SOME KIND OF RELIGIOUS CULT?
THANKFULLY, THEY DON'T SEEM TO HAVE THAT MANY FOLLOWERS, SO THEIR NUMBERS APPEAR MANAGEABLE.



WHAT ARE YOU DOING HERE?
STARTLE
!!

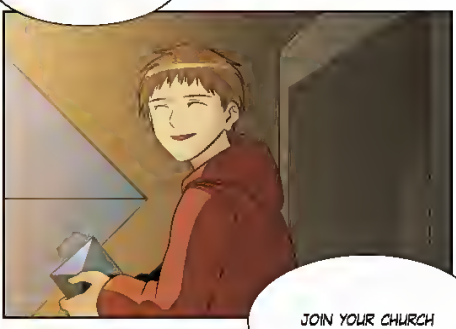


WHAT BRINGS YOU HERE, BROTHER.
AND SO FAR FROM THE CITY?

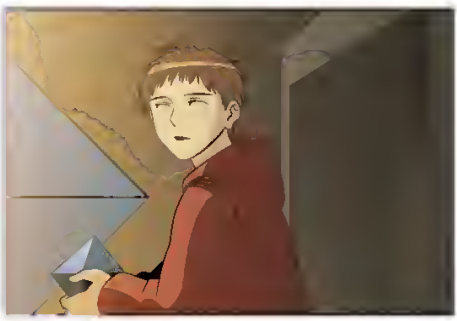
I LIKE YOUR STYLE.

ACTUALLY TAKING THE TIME TO SHOW ME YOUR "MIRACLES."

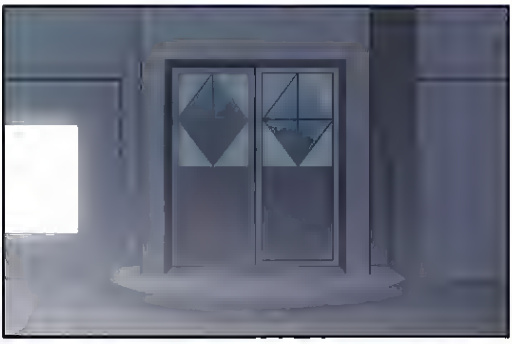
CAN I...

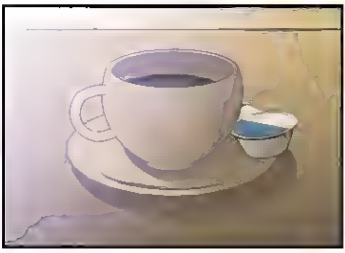


JOIN YOUR CHURCH AS WELL?



WHAT?



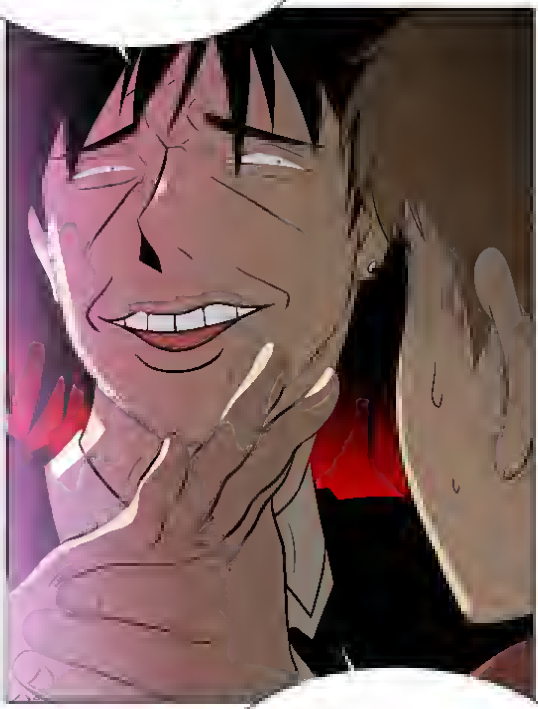


I SEE...
SO OUR TEACHINGS REALLY INTEREST YOU...
WELL, FRANKLY SPEAKING, I'M NOT ALL THAT INTERESTED IN THE RELIGIOUS ASPECT OF IT.
I'M MORE INTRIGUED ABOUT THE "MONEY" PART...
IT MIGHT A BIT RUDE FOR ME TO SAY THIS,
BUT YOU DIDN'T THINK THIS THROUGH VERY CAREFULLY, DID YOU?
THERE ARE ONLY ABOUT 70-90 ELDERLY PEOPLE IN THIS VILLAGE,
TREMBLE
WHO I BET DON'T EVEN KNOW WHAT "MAGIC" IS, RIGHT?

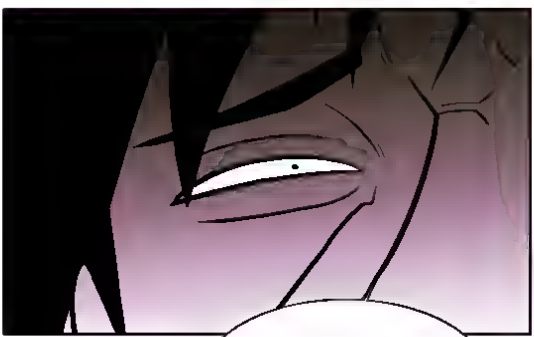
Dazzling old, ignorant people with magic to make yourself look like a god in order to fill your own pockets...
How can such an ineffective method even work?
THIS BASTARD...
HOW DID HE—

But the most important thing here is the land. This place is currently being protected as a nature site.
But if it were to be established as an area for development...
This place would become a veritable gold mine, and profits could skyrocket into the billions
So he's just a dirty capitalist
Babble
Babble
It's a waste not to do it.
I just need to ask my politician friends for a favor, and lifting the conservation ban will be a piece of cake.
The problem is that the owners of this land are those elderly in the village...
But who cares?

IF DIVINE SPIRIT-NIM SHOOTS EVEN A PUNY FLASHBALL FROM HIS CELLPHONE,



THEY'LL ALL EXCLAIM, "WOW~! SPIRIT-NIM!" AND PROSTRATE THEMSELVES DOWN AT YOUR FEET.



ISN'T THAT TRUE?

You don't seem to have much of a head for business, but your sense of secrecy is pretty impressive.
For five years you've kept the village closed off from the outside world, and your ability to maintain this seclusion is remarkable.
But during that time...
were there any casualties?

Ask your followers for their land as an offering, and I'll take care of the rest

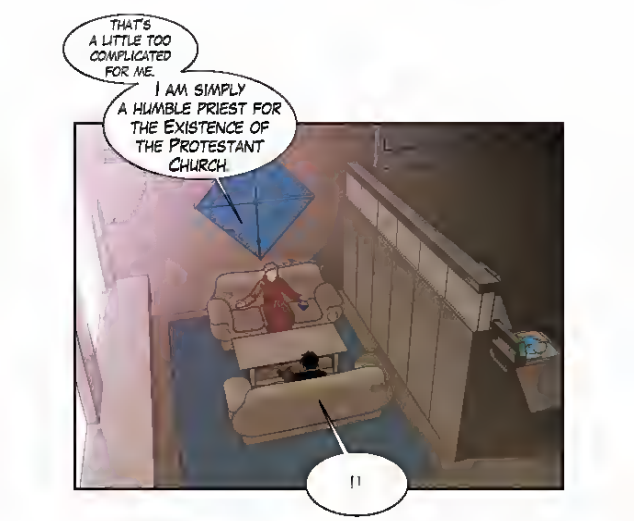
Five years is long enough. But now it's time to get the land permit, develop it, and become filthy rich!

Big money!
Biiiig Money!
That's what I'm talking about!!

I'M NOT STUPID. OF COURSE I'VE THOUGHT OF THAT BEFORE!!
BUT...
MAKE SURE THE "EXPERIMENT ROOM" IN THE BASEMENT...IS NEVER REVEALED TO THE OUTSIDE WORLD
IF NEWS EVER GETS OUT,
YOUR LIFE WILL BECOME EVEN MORE WORTHLESS THAN A FLY'S

I don't want to become lower than a fly.

I'M VERY SORRY, BUT...



THAT'S A LITTLE TOO COMPLICATED FOR ME.
I AM SIMPLY A HUMBLE PRIEST FOR THE EXISTENCE OF THE PROTESTANT CHURCH.
!!

I DON'T QUITE UNDERSTAND WHAT YOU ARE IMPLYING.
BUT I MUST KINDLY REQUEST YOU REFRAIN FROM INSULTING THE DIVINE SPIRIT-NIM ANY FURTHER.

SON OF A BITCH.

AH, THIS BRAT HERE SEEMS TO THINK I'M SOME KIND OF CHEW TOY...

LISTEN WELL, SHRIMPFACE, BECAUSE I'M NOT GOING TO ASK NICELY ANYMORE.

I CAN REVEAL ALL THE SHADY CRAP YOU WERE DOING HERE IN THE VILLAGE...

WHENEVER I WANT.

IF I REPORT YOU TO A HYUNG-NIM I KNOW,

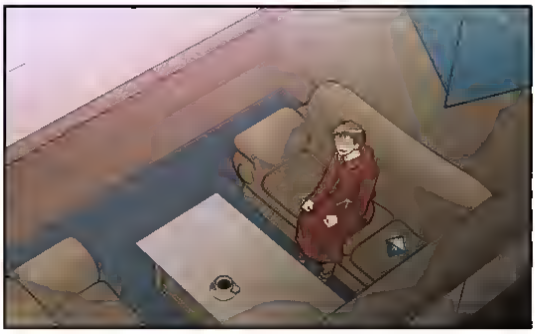
THE GRUNTS WILL BE HERE BY TOMORROW, AND THEY'LL BE ALL OVER YOUR ASS.

YOU'VE MURDERED PEOPLE BEFORE, HAVEN'T YOU?

WHAT OTHER REASON WOULD YOU HAVE TO KEEP PROTECTING THIS PLACE? HMM?

While I was on my way here, some old man told me...
Whenever young people come to the village, they're always spirited away.
What?
What idiot blabbed...
Who do you think could be responsible for this?
Is it Divine Spirit-nim?
Or perhaps...
The Shrimpface Priest-nim in front of me?

Remember, big money. Think it over.
I'll give you until tomorrow to answer.
I'll be staying the night...
In the house with the blue roof at the foot of the mountain.
Now then,
I'll see you tomorrow.



That son of a bitch...

I'll kill him.

TREMBLE...

I'll definitely grind him up...

TREMBLE...

Magic...

Yeah, magic.

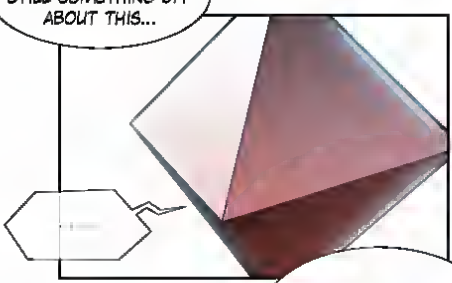
You saw how the blood rushed out of his face when I mentioned it, right?

The existence of the Protestant Church is bullshit. It's all bogus.

The worst type of cons...

are the ones that take advantage of naïve, uneducated people.

But there's still something off about this...



Usually, the goal of phony religions have something to do with money or sex.

So why did they specifically target this village?

The residents of this village are all old people, and it's not like any of them are particularly wealthy.

If their motivation is not money, power, or sex...

What are their true intentions?

Are they experimenting on humans here?

This is starting to sound like some sci-fi thriller

WHATEVER THE CASE MAY BE.
YOUN MI-JU AND YOUN JI-AE WERE DEFINITELY KIDNAPPED BY THOSE BASTARDS.
But Detective Kim,
...will he really come?
DO YOU THINK HE'S GOING TO TAKE THAT LYING DOWN?
I'M 100% POSITIVE HE'LL COME

HOWEVER... NOT TOMORROW MORNING,
BUT TONIGHT
THEY'LL COME TO KILL ME.
Him
Him

Just where is all your confidence coming from?
You don't even know how to fight
FIGHT?
WHY WOULD I NEED TO KNOW HOW TO FIGHT?
THIS MIGHT ACTUALLY TURN OUT TO BE AN EASIER JOB THAN I THOUGHT
IF YOUN JI-AE AND YOUN MI-JU ARE STILL ALIVE, IT'LL JUST BE LIKE ICING ON THE CAKE.
slide...

I still don't understand what you...

WELL, THAT WILL COME IN TIME.
HEY, CAN YOU CHANGE YOUR COLOR?

STEP...
STEP...

Huff
Huff
Huff

ALL RIGHT, LET'S GO IN.
Huff
Huff

GOT IT. ONE... TWO...
THREE!
BAM

THE WICKED SHALL RECEIVE DIVINE PUNISHMENT!
THE APOSTLES OF THE EXISTENCE OF THE PROTESTANT CHURCH...
Thump Thump Thump
WILL NOW FREE...

OH...
MY APOSTLES.

You know, Sun-young, you're a lot cuter than she is.
Hey... Kim Jae-hyuk! I'm not the one who likes you
It's Ji-ae who's liked you for a while now...
She's not my type.
Look.
How cowardly do you have to be...
...to have to have your friend confess for you?
That's pathetic.

WHAT ABOUT YOU, ARE YOU NOT INTERESTED IN ME?
NO, IT'S NOT LIKE...
NOT LIKE... WHAT? WHAT WERE YOU GOING TO SAY NEXT?

WAIT...
DON'T DO THIS, I WAS JUST TRYING...

Just tell Ji-ae that it didn't go well.

Can we really do that?
Of course. We just need to hide it from Ji-ae.
Starting now, it's day 1 of our relationship!

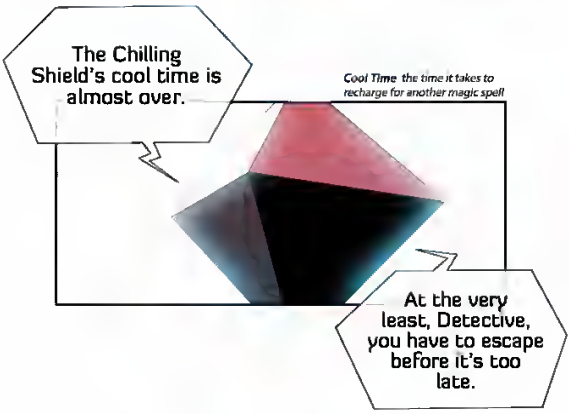
Guess what?
I was just dreaming about when we first met...
Don't dream about that.
Creeper

HOW DID YOU FIND OUT ABOUT THIS PLACE?
I'LL EXPLAIN LATER. WE NEED TO GET OUT OF HERE, NOW.

Hssss...

EVEN IF I CRACKED THE FIREWALL,
HOW LONG DO YOU THINK WE'LL LAST?
Around 5 minutes the most.

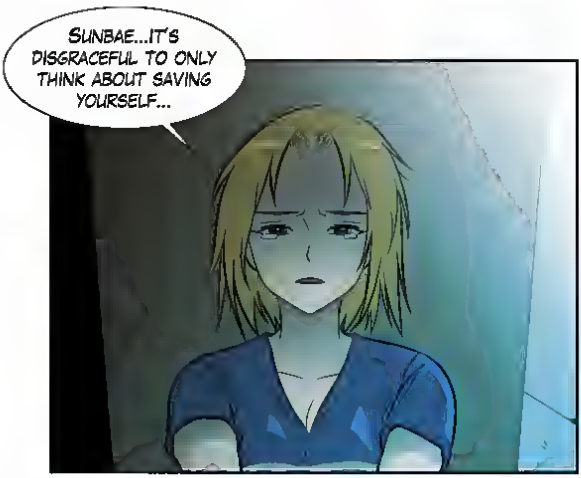
I think those two were exposed to the poisonous fumes for too long
Youn Ji-ae is okay for now, but Youn Mi-ju is in critical condition.
Also, Yoon Ji-ae may look fine, but her skin tone doesn't look particularly healthy.

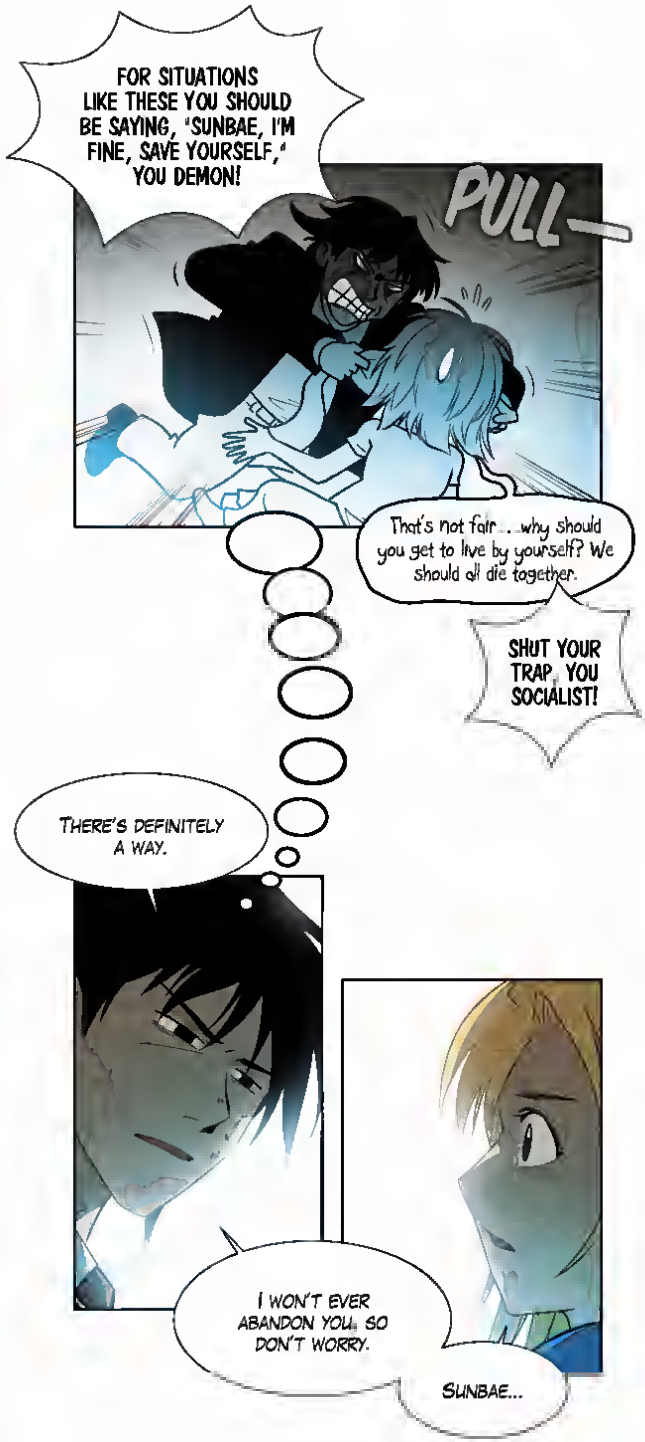


The Chilling Shield's cool time is almost over.
Cool Time the time it takes to recharge for another magic spell
At the very least, Detective, you have to escape before it's too late.

With the state those two are in.

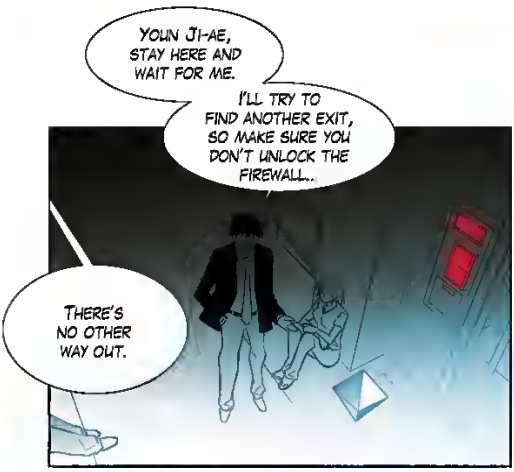
It's impossible for you to take them both through the vent.



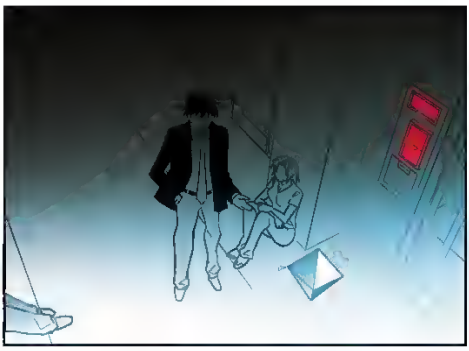


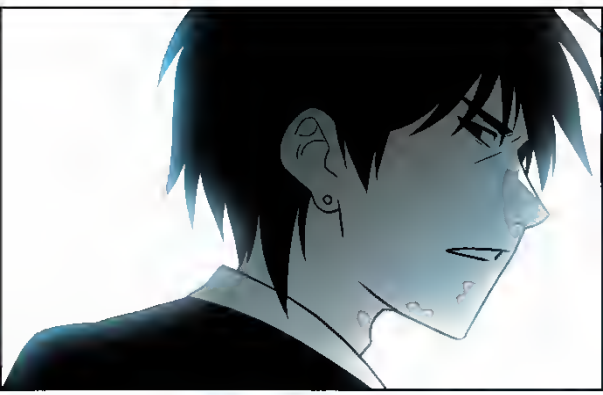
FOR SITUATIONS LIKE THESE YOU SHOULD BE SAYING, 'SUNBAE, I'M FINE, SAVE YOURSELF,' YOU DEMON!
PULL
That's not fair... why should you get to live by yourself? We should all die together.
SHUT YOUR TRAP, YOU SOCIALIST!
THERE'S DEFINITELY A WAY.
I WON'T EVER ABANDON YOU. SO DON'T WORRY.
SUNBAE...

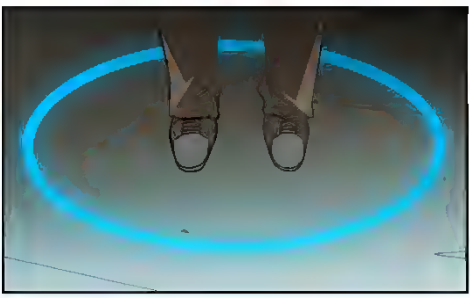
The Chilling Shield's cool time has expired.
GOOD.



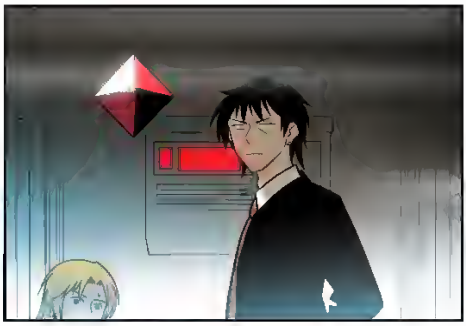
YOUN JI-AE, STAY HERE AND WAIT FOR ME.
I'LL TRY TO FIND ANOTHER EXIT, SO MAKE SURE YOU DON'T UNLOCK THE FIREWALL..
THERE'S NO OTHER WAY OUT.

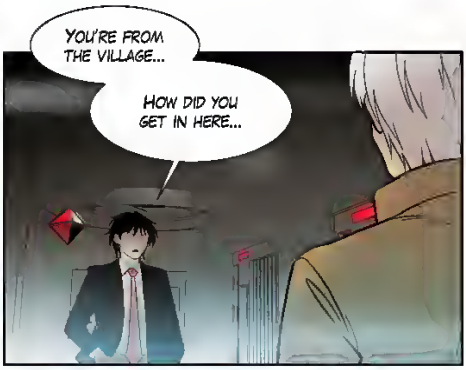






YOU SEEM LIKE SMART KIDS.
BUT YOU'RE PRETTY DAMN RECKLESS TOO.





YOU'RE FROM THE VILLAGE...
HOW DID YOU GET IN HERE...

!?

THOSE MARKINGS!
ARE YOU THE SAME AS CRIMSON ROBE?
..!!

HO...
SO YOU'VE MET A MAGICIAN BEFORE?
?!
MAGICIAN...?
WELL, DON'T MISUNDERSTAND JUST BECAUSE OF THIS.
I AM STILL A NORMAL HUMAN AFTER ALL.
DON'T LIE!

You knew from one look at my magician-class badge that I was a detective.

If you really were a resident of this village, there's no way you'd have known what magic was.

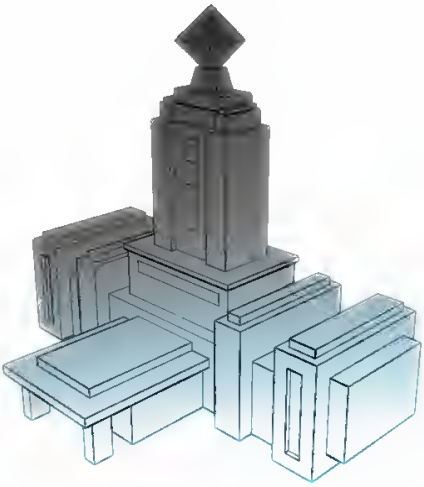
Are you working undercover?

Just what are you planning here?

Well, let's see...

I guess I might be considered working undercover...

But I don't really have any connections to the morons who fell for the "Existence of the Protestant" Church.

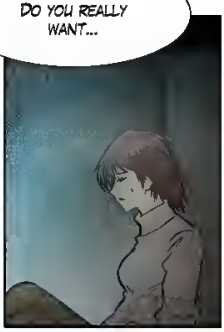


Though, I did pretend to be a follower.

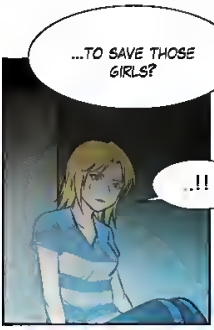
There's not much time, so I'll just cut to the chase.

Now, how about it?

Do you really want...



...to save those girls?



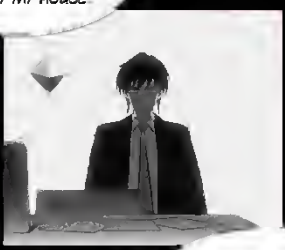
..!!

THE BASEMENT'S ONLY EXIT WAS DESTROYED.
THAT MEANS YOU WILL HAVE TO MAKE A CHOICE.

JUST LIKE THAT SQUARE-ISH FRIEND OF YOURS SAID,
YOU CAN SAVE YOURSELF.
Square-ish?
OR... YOU CAN ALL ESCAPE SAFELY TOGETHER WITH MY HELP.

However, you must answer my questions first.

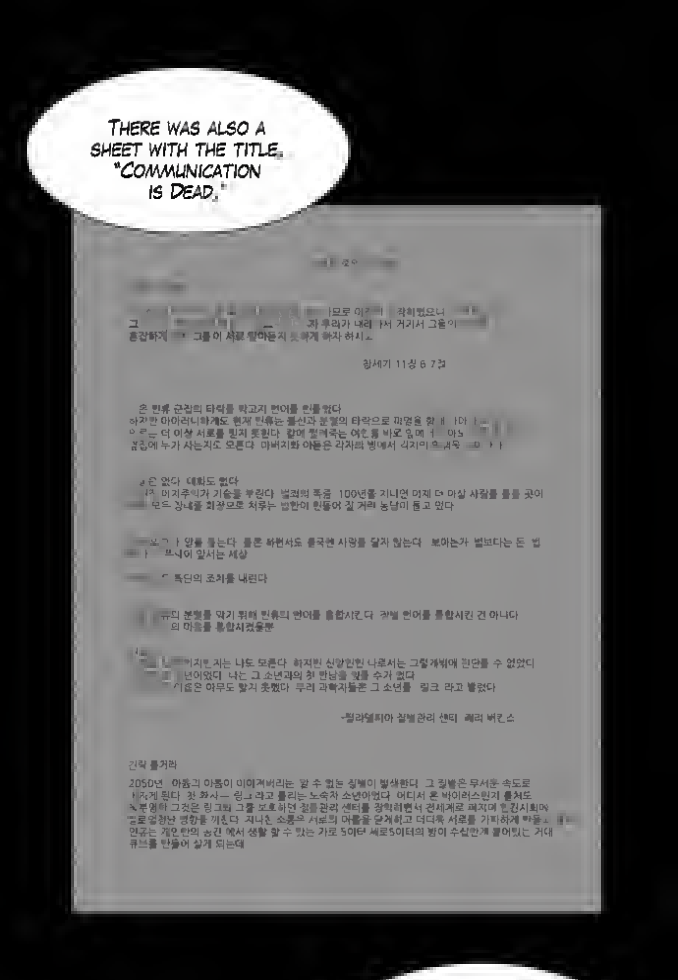
The house with the blue roof that you were in before is actually my house.



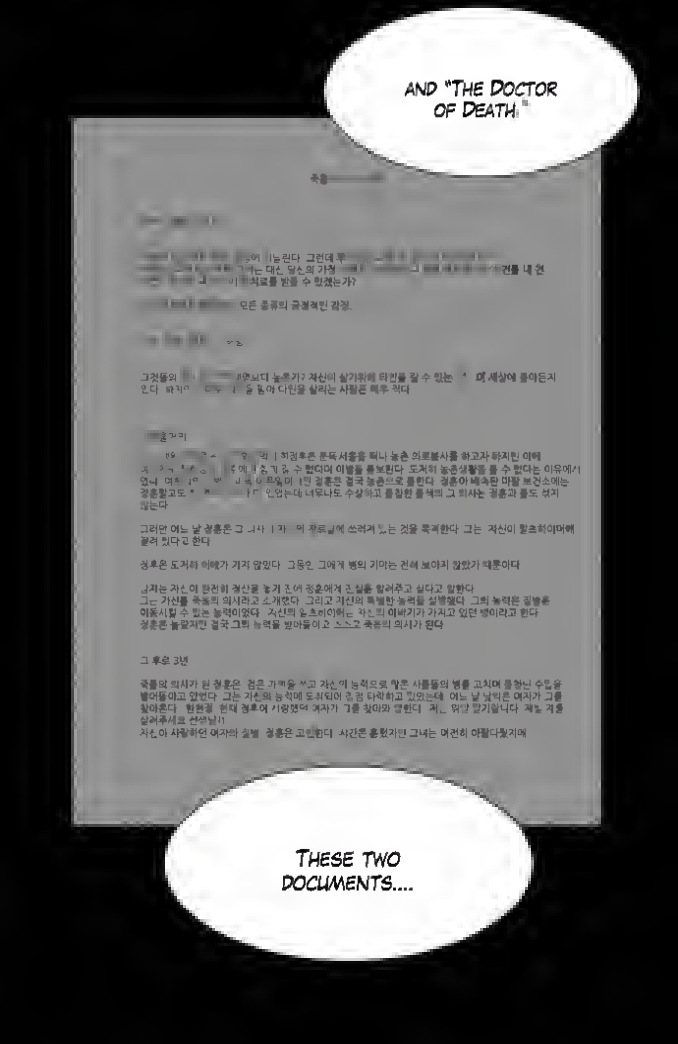
You should have seen three sheets of paper on the table.

The sheet with the Existence of the Protestant Church's symbol.

If you were a normal person, you would have thought nothing of it.



THERE WAS ALSO A SHEET WITH THE TITLE, "COMMUNICATION IS DEAD."



AND "THE DOCTOR OF DEATH."

THESE TWO DOCUMENTS....

TELL ME,
WHAT SECRET MEANING DO THESE THREE SHEETS OF PAPER HOLD?
IF YOU ARE CORRECT, ALL OF YOU WILL LIVE,
BUT IF YOU ARE WRONG, YOUR FRIENDS WILL DIE.

I'LL GIVE YOU
10 SECONDS.

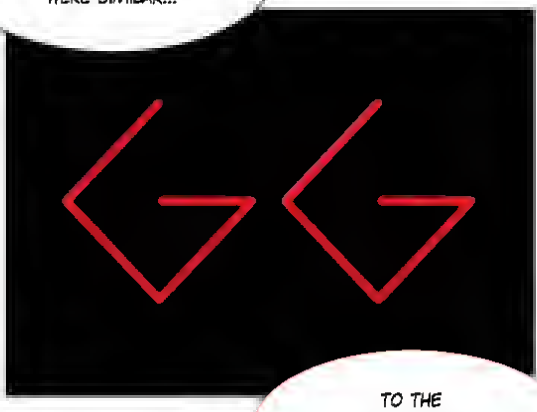
The phrase hidden in the "Communication is Dead" page is, "At the city of."

The one hidden in the "Doctor of Death" page is "The dead sorcerer."

So the answer to your question is...
"At the city of the dead sorcerer."

Also, the order of the words were similar...



To the pattern of the alphabet **GG**.

It could be either an acronym for your name,

...or something to do with a specific group.

How about it?

70 POINTS.

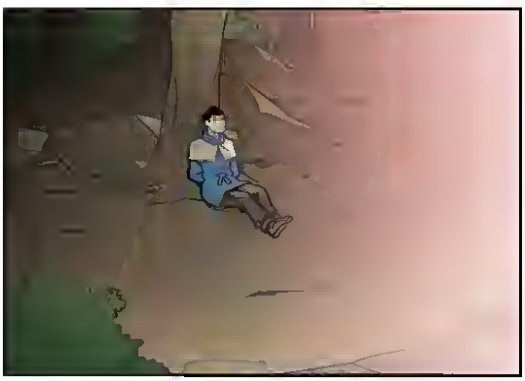
SIR, JUST HOW... DID YOU MANAGE TO USE SUCH MAGIC WITHOUT A DISPENSER.
HAHA... SURPRISED?
IT'S A TEMPORARY EFFECT OF THE POTION.
BUT I'LL BE BACK TO BEING A NORMAL HUMAN AFTER IT WEARS OFF.
POTION...?
I THOUGHT POTIONS WERE JUST USELESSLY EXPENSIVE TONICS.
YOU DO NOT KNOW EVERYTHING ABOUT MAGIC.

ANYWAY, 70 POINTS IS STILL A VERY GOOD SCORE,
SO I'LL HELP YOU OUT.
UWOOH~!! THERE'S SMOKE COMING FROM THE TEMPLE!
OMINOUS! IT'S AN OMINOUS SIGN!
OUR DISPUTE MUST HAVE BROUGHT GOD'S WRATH UPON US!
HURRY, GET OUT OF HERE! GOD'S ANGER WILL STRIKE US DOWN!!



WHA...?
NO, WE SPENT SO MUCH MONEY REMODELING THAT BUILDING!
THAT CRAZY BASTARD, WHY'D HE SET IT ON FIRE?!
IF IT ISN'T PUT OUT SOON...
NO, WAIT... THAT'S NOT OUR BIGGEST PROBLEM. FIRST THING'S FIRST.
WHAT SHOULD I SAY WHEN THE POLICE COME FOR ME? SHOULD I JUST BLAME IT ALL ON MY NEPHEW?

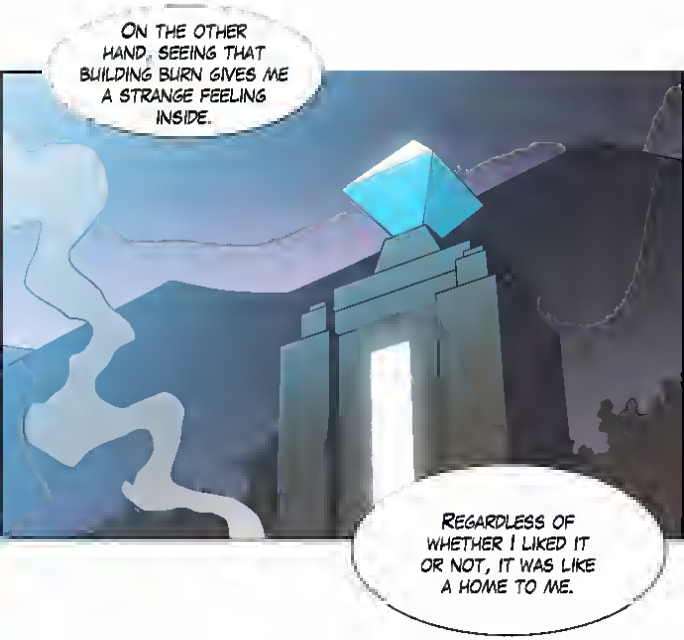
AND NOW,
YOU WON'T HAVE TO WORRY ABOUT IT ANYMORE.



On the other hand, seeing that building burn gives me a strange feeling inside.
Regardless of whether I liked it or not, it was like a home to me.

Look closely, Mr. Detective. This beauty can cure any ailment when used within a 1-hour time limit.
I call it the Elixir.

It will eliminate anything that interferes with one's life functions.
It can work by simply pouring it on top of the head, too.

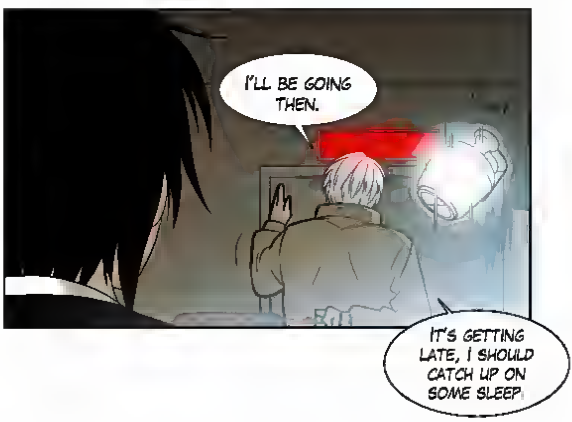
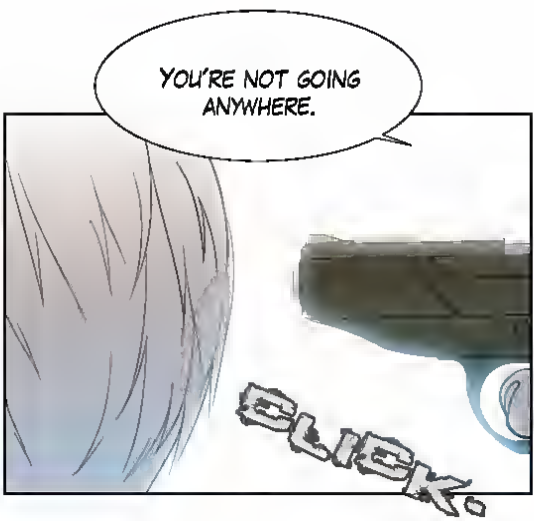
Ahh, don't worry about it.
I mixed in some of Lete's potion so she'll lose all her memories of the past hour too.

And like I said before, I've locked that priest in the control room on the third floor.
You should find a good way to put out the fire in the basement in the control room too, so make sure you do something about it.



I'll be going then.
It's getting late, I should catch up on some sleep.



You're not going anywhere.
Click.

There are way too many things I want to know.
There's no way I'm letting you go.

Raven is back.

THERE'S NO TIME, SO I'LL MAKE IT SHORT.
I'VE ALREADY TOLD YOU EVERYTHING.

Follow the phrase you figured out yourself: "At the city of the dead sorcerer."
FWO

That phrase is still incomplete,
but the complete sentence is the key to the truth.

PLUS, IT'S NOT "GG."
THAT'S WHY YOU ONLY GOT 70 POINTS.

TO TELL YOU THE TRUTH, THAT PHRASE WAS MEANT TO BE USED TO FIND THE "SORCERERS "
SHUAH
I WOULD NEVER HAVE GUESSED THAT IN SUCH A DARK ROOM, A NORMAL HUMAN WOULD HAVE FIGURED IT OUT.

IT WAS DESTINY THAT BROUGHT YOU HERE
FWOOSH
I WISH YOU LUCK.

AND BRACE YOURSELF.

AN OVERWHELMING DEATH APPROACHES.

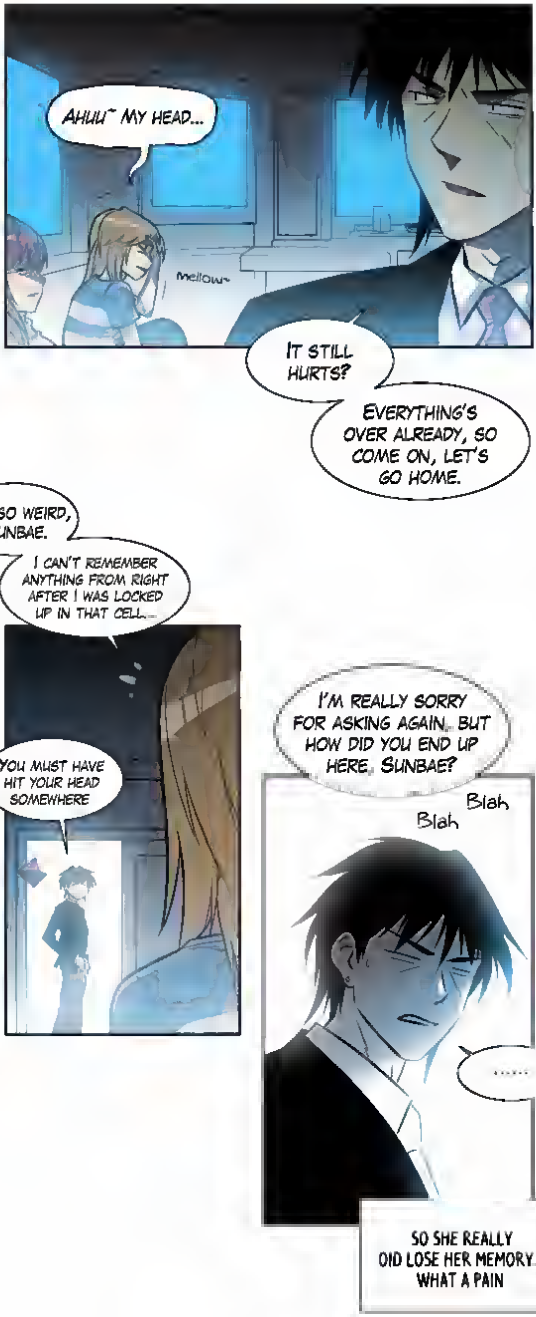
IT REALLY DOES LOOK LIKE THERE WAS A FLOOD IN HERE.



AHUU~ MY HEAD...
Mellow~
IT STILL HURTS?
EVERYTHING'S OVER ALREADY, SO COME ON, LET'S GO HOME.
IT'S SO WEIRD, SUNBAE.
I CAN'T REMEMBER ANYTHING FROM RIGHT AFTER I WAS LOCKED UP IN THAT CELL...
YOU MUST HAVE HIT YOUR HEAD SOMEWHERE
I'M REALLY SORRY FOR ASKING AGAIN. BUT HOW DID YOU END UP HERE, SUNBAE?

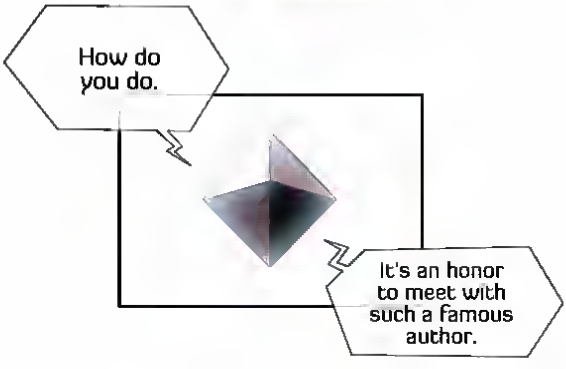
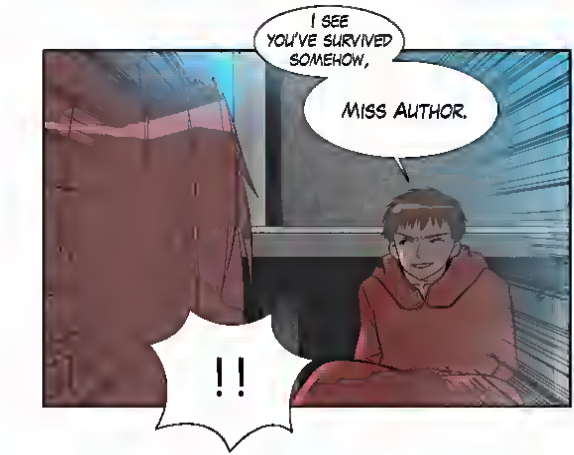
SUNBAE?
YUP!
HE'S AN INSPECTOR!

HOW ARE YOU FEELING?



How do you do.
It's an honor to meet with such a famous author.

KUKUKUKU...



I SEE YOU'VE SURVIVED SOMEHOW,
MISS AUTHOR.

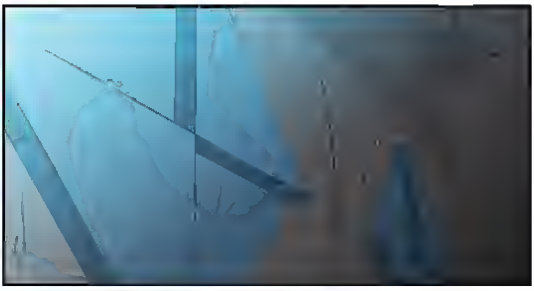
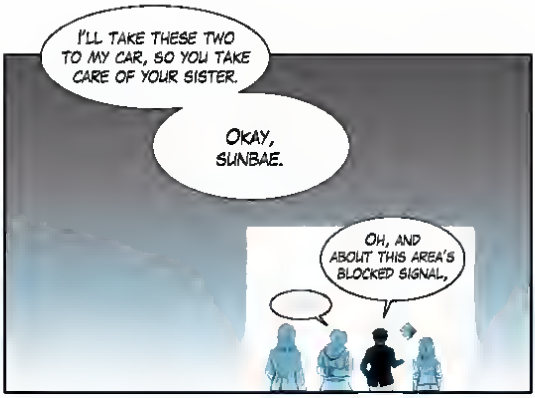
BUT IF YOU DON'T KEEP YOUR MOUTH SHUT,
SMIRK-
SMIRK-
YOU'LL BE GROUND UP INTO A FINE POWDER AND STUFFED INTO A JAR.

KYAAAAH!!!
SIRIUS, STAY HIDDEN FOR A BIT!
Why?
KUKUKUKU, WELL AREN'T YOU A SCAREDY-CAT?
SHUT UP, YOU PANTS-PISSING BASTARD!



I'M SORRY TO HAVE TROUBLED YOU, INSPECTOR.
IT'S NOTHING.
I WAS JUST DOING MY JOB
KUKUKU... SO HAVE YOU ALREADY CAUGHT THE LORD?
DON'T YOU WORRY, HE'S TIED UP OUTSIDE



I'LL TAKE THESE TWO TO MY CAR, SO YOU TAKE CARE OF YOUR SISTER.
OKAY, SUNBAE.
OH, AND ABOUT THIS AREA'S BLOCKED SIGNAL,

THE BIG SQUARE OBJECT AT THE TOP OF THE BUILDING IS INTERFERING WITH THE SIGNAL AROUND THE AREA.
IT LOOKS LIKE MILITARY TECHNOLOGY, BUT IT'S GOT SOME SORT OF SECURITY ON IT THAT'S HARD TO CRACK. I'D LOVE TO KNOW HOW SUCH AN ADVANCED PIECE OF TECHNOLOGY GOT OUT HERE IN THE MIDDLE OF NOWHERE.
I guess~ I'll find out when I beat the crap out of these guys

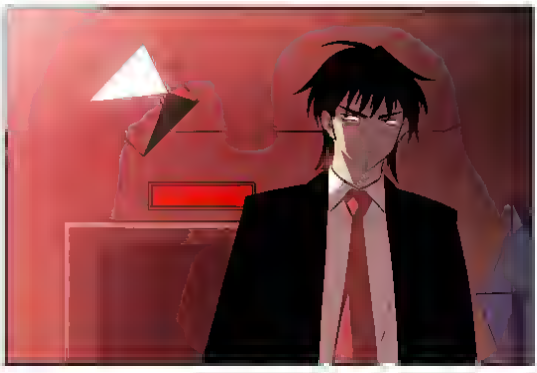
WHAT ABOUT THE PEOPLE IN THE VILLAGE?
THEY'RE WITNESSES. SO OF COURSE THEY'LL BE QUESTIONED TOO.
SINCE THERE ARE A LOT OF PEOPLE HERE, LET'S GET OUT OF HERE FIRST AND COME BACK TOMORROW TO INVESTIGATE.
I'LL GO BRING IN LORD BASTARD.
YOU TWO KEEP AN EYE ON THAT ONE.
.....
OKAY.

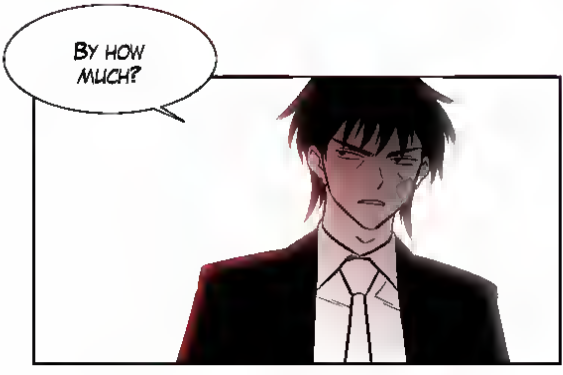
We still don't know why they closed off the village after converting everyone into believers.
They must be plotting something
We weren't plotting anything... Plus,
Chuckle.
They were probably better off with those beliefs. Even if it was all fake.

SHUT UP. YOU JUST SAID YOU GRIND UP PEOPLE AND STUFF THEM IN JARS!! YOU DEVIL!
BE QUIET, YOUN JI-AE.
KUKUKU... A DEVIL? ME?

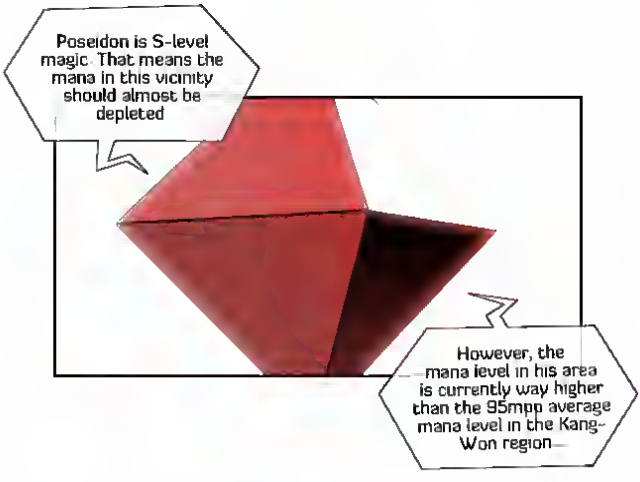
YOU DON'T KNOW WHAT YOU'RE TALKING ABOUT! KUKUKU...
Inspector Kim, there's something I have to tell
TELL ME LATER, RIGHT NOW I'VE GOTTA GET THAT LORD...

No, I have to say it now.
This area's mana density is abnormally high.





By how much?



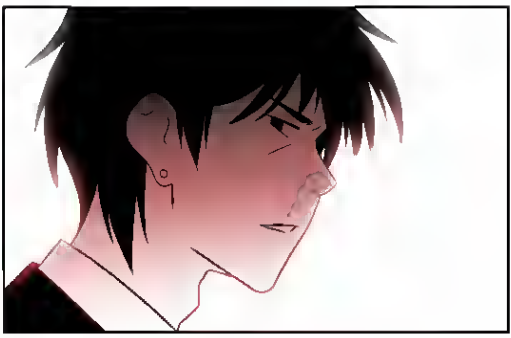
Poseidon is S-level magic. That means the mana in this vicinity should almost be depleted
However, the mana level in his area is currently way higher than the 95mpp average mana level in the Kang-Won region

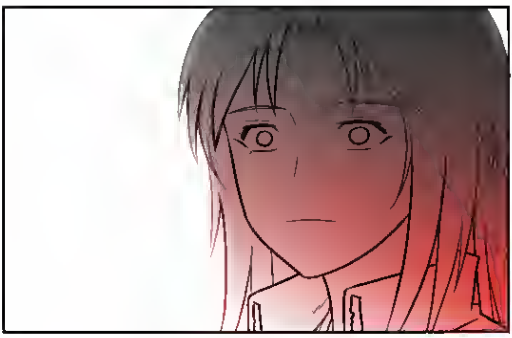
It's 256mpp.
Not even the South Pole or the Amazons can reach this level.

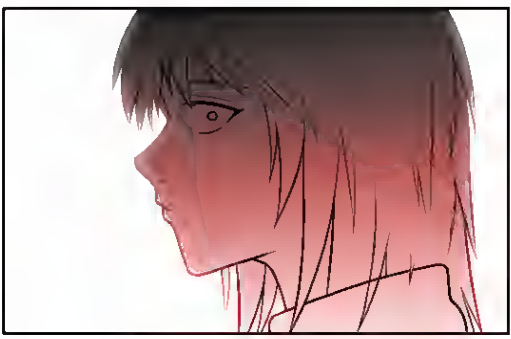
IS THAT EVEN POSSIBLE?
YOUR SENSOR MUST BE...

SHATTER

WHO WAS IT?







THE ONE WHO RUINED...
MY NEW CLOTHES WITH FLOODING MAGIC?
Tatter...

THE INSPECTOR DID IT! HELP ME!
KILL HIM, HE'S A POLICE...

FWOOSH

SUPERB, KIM HYUN-WOOK.

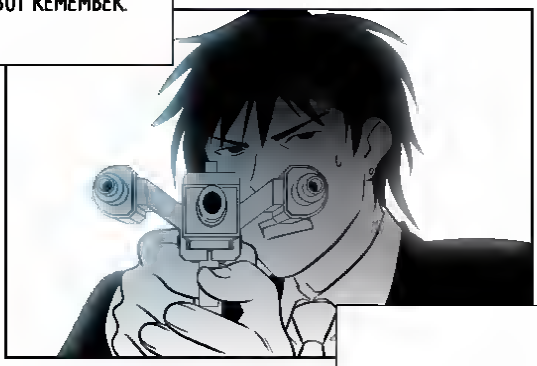
HE PROVOKED HIM AND LED HIM INTO ENGAGING IN CLOSE COMBAT.

THE DISTANCE HE KEPT IN BETWEEN THEM IS ALSO AN EXCELLENT DECISION.

TOO CLOSE TO TELEPORT.

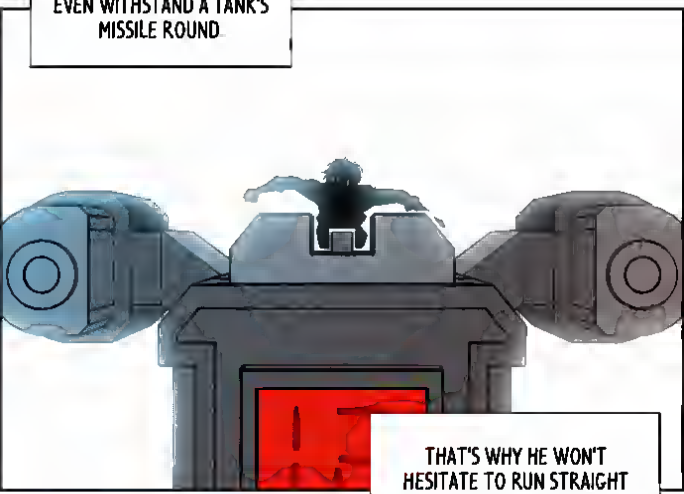
BUT TOO FAR FOR A ONE-SHOT KILL.

BUT REMEMBER.



YOU CAN ONLY SHOOT THE "TRIPLE IMPACT" ONCE.

THAT BASTARD'S "INFINITY SHIELD" CAN EVEN WITHSTAND A TANK'S MISSILE ROUND.

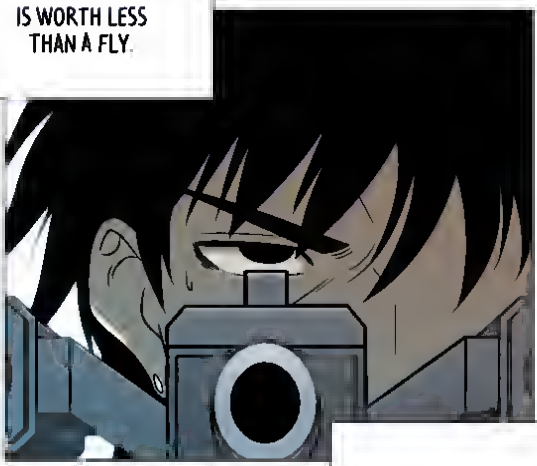


THAT'S WHY HE WON'T HESITATE TO RUN STRAIGHT AT THE OPPONENT'S LINE OF SIGHT.

BUT THAT'S HIS WEAK POINT.

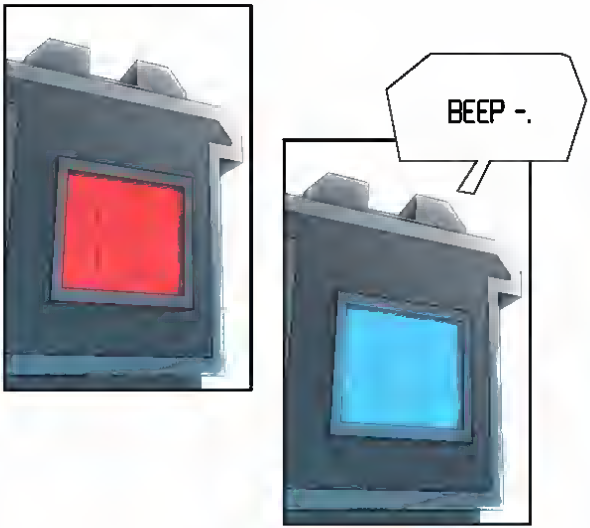
A NORMAL HUMAN WHO CAN'T USE MAGIC,

IS WORTH LESS THAN A FLY.



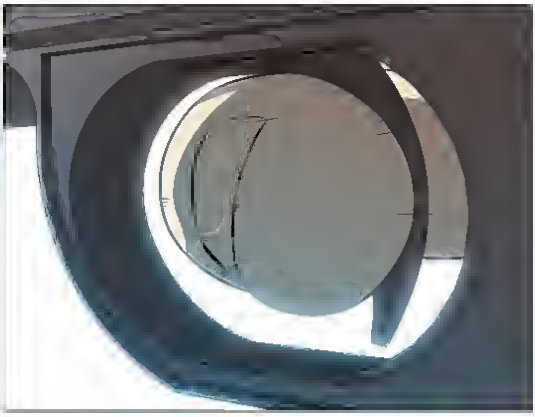
BUT RIGHT NOW, KIM HYUN-WOOK, YOU'RE NOT JUST A FLY,

...you're a lethal one.



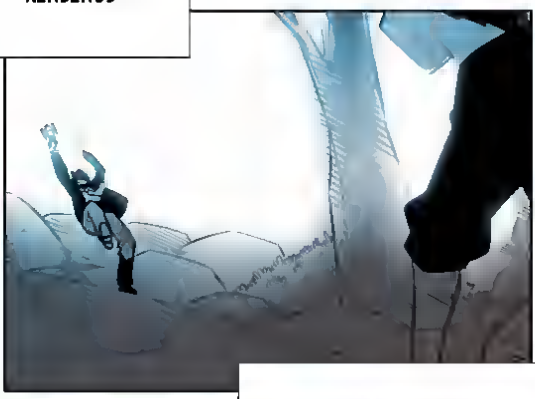
THE QUESTION IS,

WHETHER OR NOT
YOU CAN HIT HIM.



BANG

KERBEROS



WHEN THE SHOT IS FIRED RIGHT AT THE INPUTTED DISTANCE,

THREE MAO DOGS...

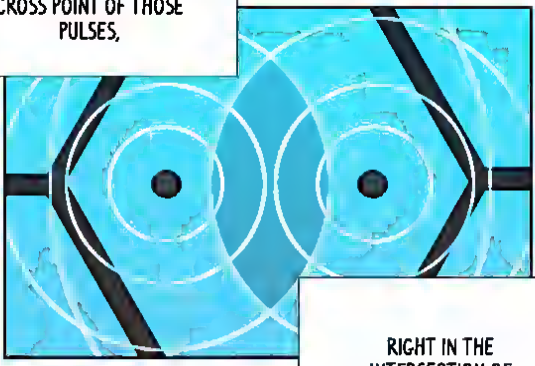
FLY TOWARD A SINGLE TARGET.

ON THE SIDES ARE THE "SCHNAUZER" AND "COCKER" BULLETS.

THESE ARE PULSATING BULLETS.

IF THEY LAND PRECISELY...
WITHIN ONE PIX OF THE SHIELD.
THEY EMIT A STRONG PULSE.

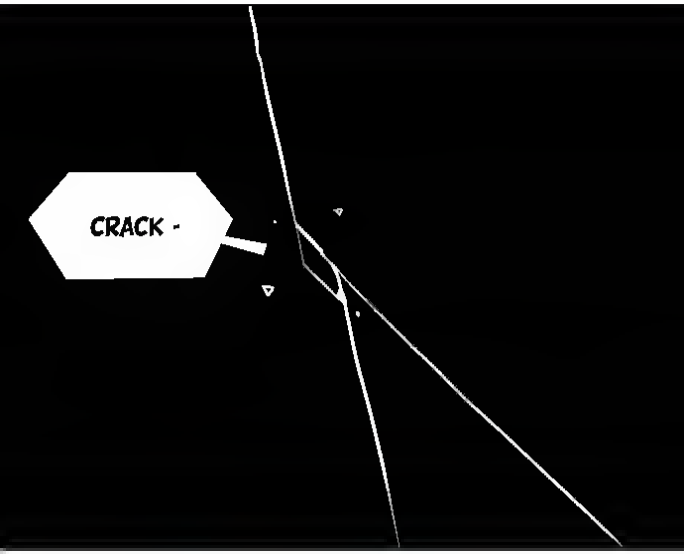
AND AT THE CROSS POINT OF THOSE PULSES,



RIGHT IN THE INTERSECTION OF THAT CHAOS,

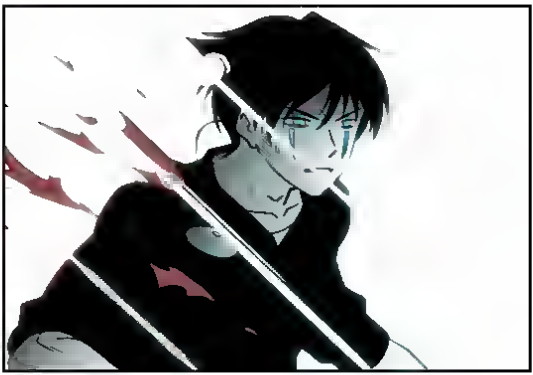
THE PIERCING BULLET,

"BEAGLE" FLIES IN

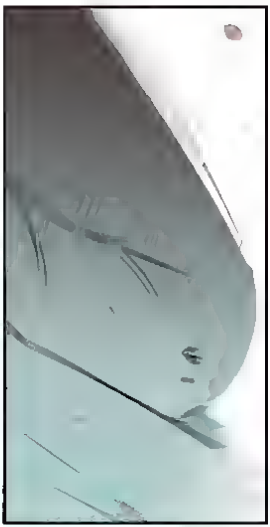


CRACK -

CRACKLE
CRACK -

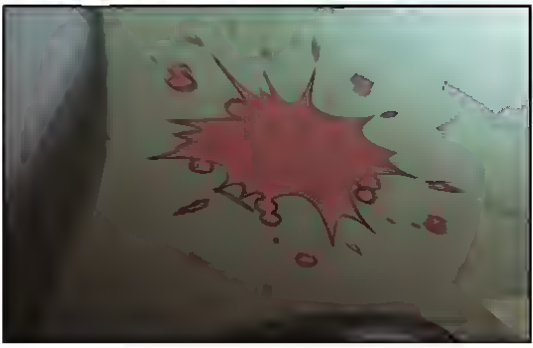


Arrogance and carelessness,



...may one day...

...be the end of you.



Thank you.
That was a great lesson.

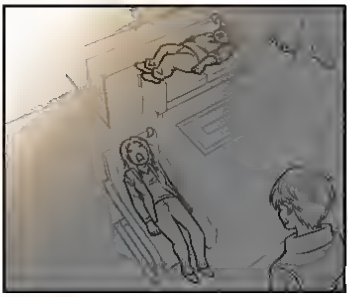
Fwoosh-

Shut

Whoosh

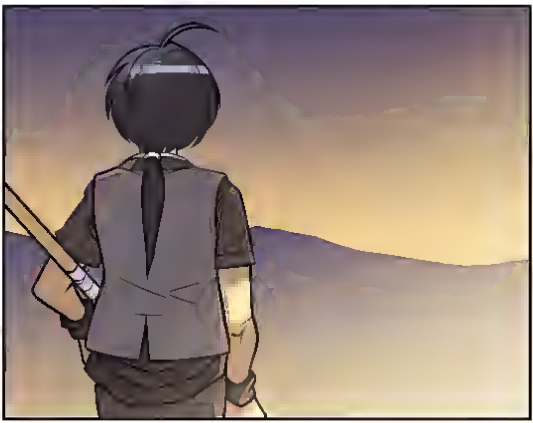
GOOD JOB.
INSPECTOR KIM
HYUN-WOOK.

Congrats on getting involved in this war.



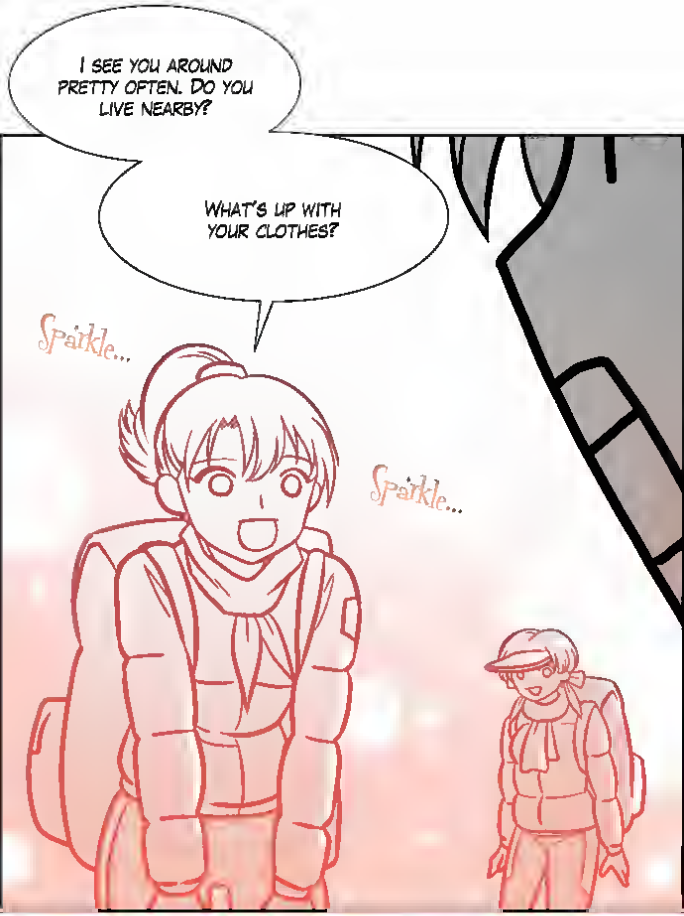
Snooore...

HEY THERE,
KID.



WHO'RE YOU CALLING A KID, EH?
I'LL BEAT YOU TO A PULP, YOU...

FREEZE



I SEE YOU AROUND PRETTY OFTEN. DO YOU LIVE NEARBY?
WHAT'S UP WITH YOUR CLOTHES?
Sparkle...
Sparkle...

Blush...
THIS PONYTAIL IS SOO CUTE!
HOW DID YOU MAKE IT? DOES IT SWING AROUND A LOT?
Age: 20
Height: 171 cm
Stop teasing him, haha...
Age: 17
Height: 155 cm

I HEARD THERE'S A SHORTCUT TO THE TOP.

DO YOU MIND TELLING US WHERE IT IS, KID?

THAT'S IT!!

Extremist Beliefs End.

SIRIUS (1)

?????

(HIGHER SECURITY LEVEL REQUIRED)

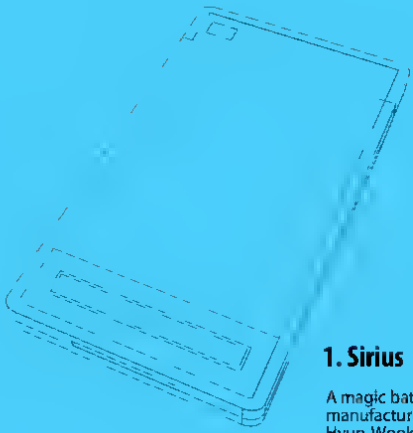
"THEIR" BOSS
NO INFORMATION WHATSOEVER

(HIGHER SECURITY LEVEL REQUIRED)

THE GUARD OF "THEIR" BOSS
THE STRONGEST IN DSC?????

PLEASE KEEP IN MIND THAT THESE DOCUMENTS CONTAIN
DATA THAT MAY NOT BE COMPLETELY ACCURATE.

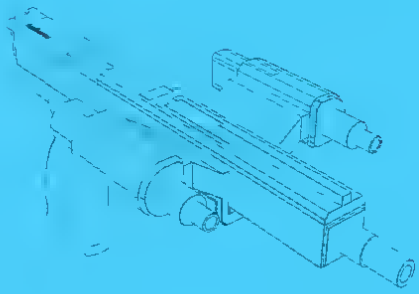
13 PIECES OF ADVANCED TECHNOLOGY WITHIN
THE CITY OF THE DEAD SORCERER.



1. Sirius

A magic battle-oriented smartphone manufactured exclusively for Kim Hyun-Wook by the Magic Dept , Weapons R&D's, Lee Jin-Soo

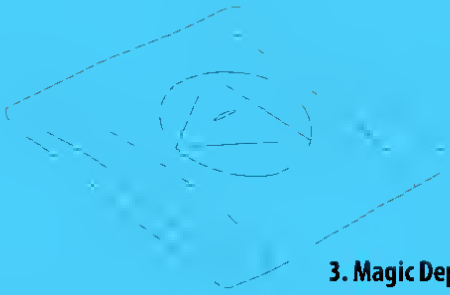
Despite its size, a powerful dispenser has been programmed in it so it can activate up to B-class magic spells It also supports an avatar system that has not yet been made available to other smartphones within the Magic Dept



2. Kerberos

A shield-destroying magnum developed by Cloud in order to fatally injure Raven

The side barrels for the pulsating bullets can only be loaded once, so the "Triple Impact" is limited to one shot per load The piercing bullet can be loaded up to 18 times

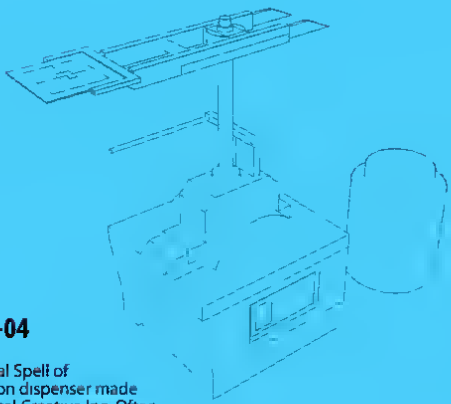


3. Magic Dept. Armband

An armband that must be worn by any member of the Magic Dept

It's equipped with a GPS and shield dispenser, so it's a great asset in life-threatening situations. Sirius already provides the basic functions of the armband, so Kim Hyun-Wook doesn't usually wear it

[TN** The actual word used is apparently "calling unit" but I didn't know what that was ... like, a phone?]

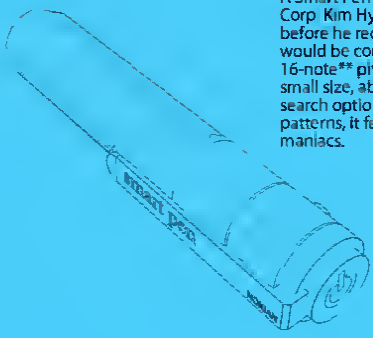


4. STX-04

A medical Spell of Restriction dispenser made by Medical Creative Inc. Often used in cardiac surgeries and tested for safety. Its price is 130 million won*

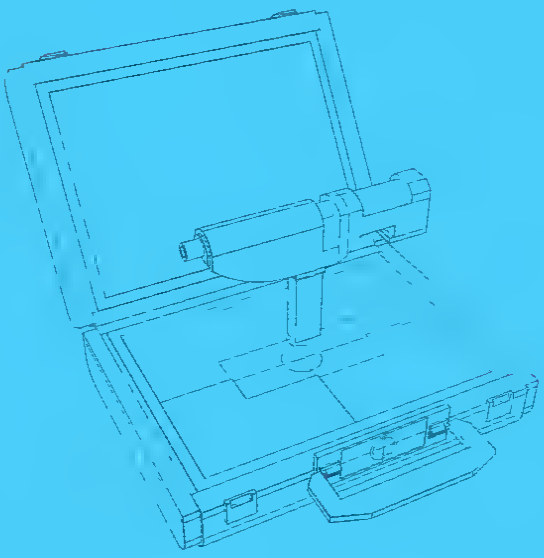
[TN* Won is the Korean money.]

5. Smart Pen



A Smart Pen produced by the Nokian Corp. Kim Hyun-Wook used to use it before he received Sirius. Today, it would be considered as ancient as a 16-note** pitcher phone. Because of its small size, ability to write digitally, and search options for certain symbols or patterns, it fetches a high price among maniacs.

[TN** a type of old phone]

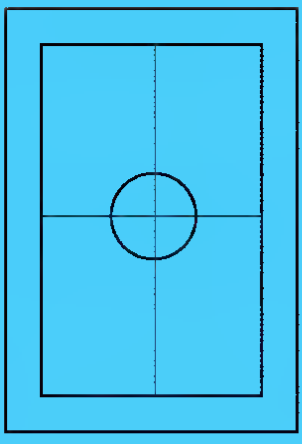


6. Illegally Remodeled Magic Grenade Launcher and its Summoning Briefcase

The grenade that Youn Pil-Kyu used in his crimes is an actively sought-after item in the Black market and is the symbol of magical crimes.

The launcher can equip several different types of grenades, but it cannot use high-level magic.

The portable summoning briefcase always comes in pairs; one stores the object and the other one can summon the stored object using a teleport dispenser. It does not leave any traces, so it's often used for crimes and transferring of political funds.

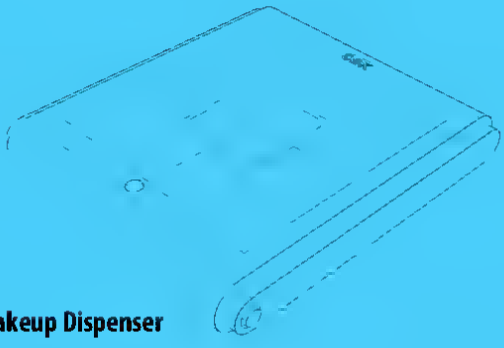


7. Security Panel

A lock system commonly seen throughout the world of DSC. From vending machines to prisons, it can be found in any place that needs to be secured. The settings can be set as elaborately as a full-body scan, but it is susceptible to hacking.

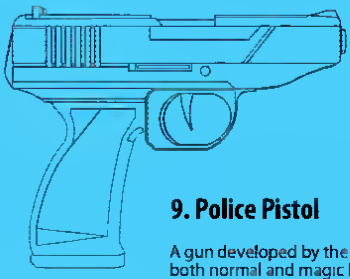
In the world of DSC, almost all conventional locks have disappeared

Though their appearances are all the same, there are countless different classes of these security panels, sorted by their security levels



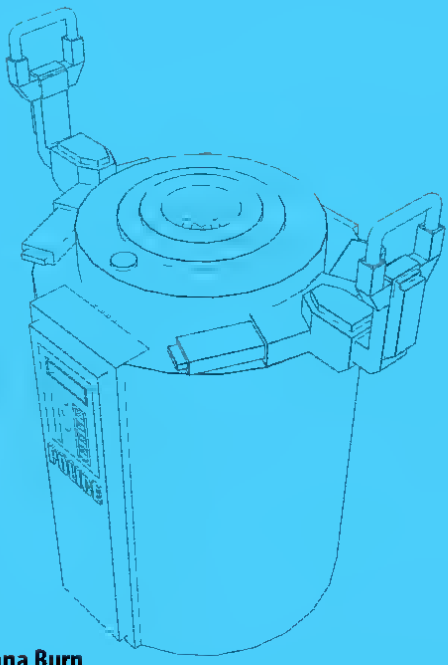
8. Makeup Dispenser

Made by SDK Inc., it uses illusion magic to create the image of having light makeup on. A pretty pricey product, as it sells for 2 million won. Bring it close to your face to activate, and you'll be A-OK~!



9. Police Pistol

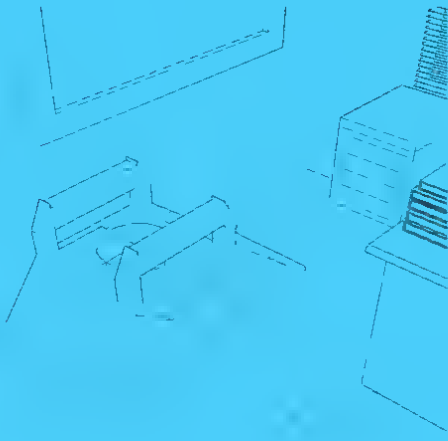
A gun developed by the AUG Corp, it can load both normal and magic bullets. Since most magic bullets are very expensive and extremely dangerous, its uses are pretty limited. Plus, even in today's times, the police aren't supposed to shoot carelessly. This applies even more so with magic bullets



10. Mana Burn

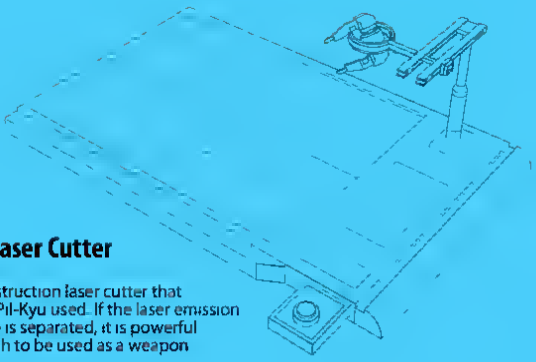
A strategic weapon developed by the US Army to neutralize magic

The Korean Army, Marines, and Air Force each possess 200 of these The Police have 30 It enhances the mana efficiency of wind magic, creating a gentle breeze and draining the surrounding mana to 0mpp However, it's useless to the magic users who draw mana from their own bodies With two Mana Burn machines, even a pretty sizeable building can be completely drained of its mana content.



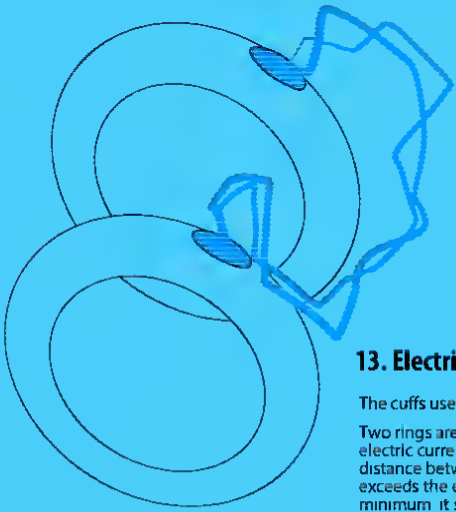
11. Teleport Dispenser

The use of teleportation magic has made the people lazy to the point where, in 2030, every household has at least one teleport dispenser It's a device found commonly throughout the DSC world, along with the security panels It can be found in vending machines, Kim Hyun-Wook's house, any office, convenience stores, or on Han Soo-Young's desk.
(Living organisms cannot be teleported Only objects can be teleported)



12. Laser Cutter

A construction laser cutter that Youn Pil-Kyu used. If the laser emission device is separated, it is powerful enough to be used as a weapon



13. Electric Cuffs

The cuffs used by the police

Two rings are connected via electric currents, and if the distance between the rings exceeds the established minimum it shocks the wearer. Inhumane but extremely efficient. Exclusively used for vicious criminals.

ADVERTISING.

Piercing through his heart,

A single shot of love.

[TN:** This is a pun. Since it's a wedding agency, the name is meant to be a play on words using the word "chu" instead of "you," as in the kissing sound.]

Q&A

Q: You said Crimson Robe was the last sorcerer, but aren't there too many magicians?

A: A sorcerer is a type of magic user. "Magic user" is a word that identifies them, such as sorcerers or sages.

Q: Why did Youn Mi-Ju become fat again?

A: The Youn Mi-Ju who came out during the "Extremist Beliefs" episode was the polymorphed Cloud. The alchemist geezer was with the real Youn Mi-Ju.

Q: GG is, of course, A-YO GG~!! Right?

A: I'm a Kara fan.

(TN** "A-YO GG~!!" refers to a Girls' Generation's concert of "I Got a Boy," and the author is saying he's a fan of Kara, another girl idol group.)

Q: What is Crimson Robe's real name?

A: I don't know either.

Q: What has Aruani (the other member of Getname) been doing lately?

A: His whereabouts are unclear after he was last sighted on a squid-fishing boat. There's rumor that he won the lottery, went to Dubai and was bankrupt after 2 hours.

Name: Aruani
Age: 32
Height: Ugly
Weight: Ugly
Outfit: Ugly
Peculiarities: Ugly

Please contact the police if you see him

Q: What will you do if mana isn't discovered in 2014?

A: It doesn't matter, as far as the story is concerned. I'll stop here so I don't spoil anything for you. Personally, I'm looking forward to Wonder Kiddy in 2020. Seven more years.

Q: What is the meaning behind the color of the magic users' facial tattoos?

A: Just like the light sabers' colors in Star Wars don't mean anything, the magic users' tattoo colors don't have any special meaning.

Q: What were you thinking, using our oppas' names as the murderers' names...*

(TN*: Apparently, some of the criminals' names are also the names of some Korean Boy Idols. Bah)

A :

Q: DSC's trash?

A:

I'll stop here...

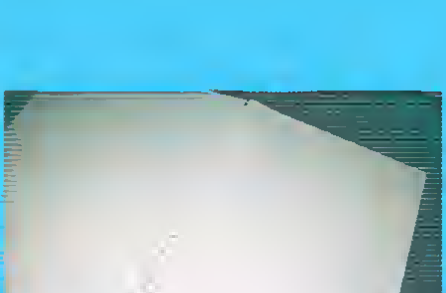
MANY PEOPLE WANTED TO KNOW THE DRAWING PROCESS OF DSC.
I'LL TAKE THIS CHANCE TO EXPLAIN IT TO YOU.

I'LL SHOW YOU THE ENTIRE PROCESS FROM START TO FINISH.

SO THAT EVERYONE CAN UNDERSTAND!

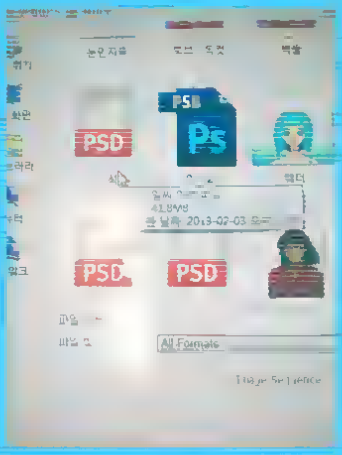
Follow this and you'll at least be as good as Carnby!!

Carnby's webtoon class.

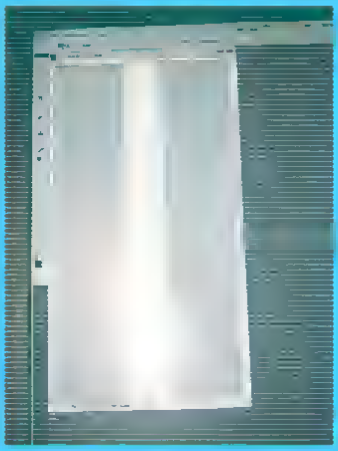


Draw the continuity* following your scenario. For the scenario, just do something about it. I can't help you with that. The continuity must be detailed and precise.

TN* Continuity is the term that the movie makers use to call the records of everything they need to make a movie, usually based on the scenarios. Webtoon authors use this term to indicate their rough drafts.



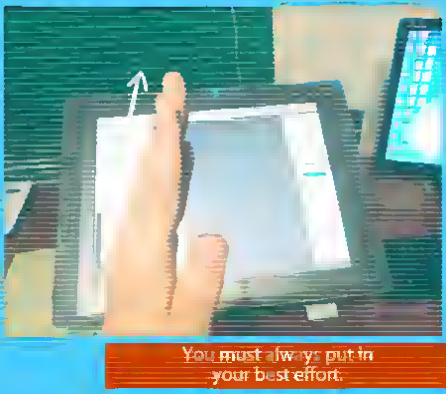
Now open up the "Template" file that was made in advance. Having a template makes the work a lot easier.

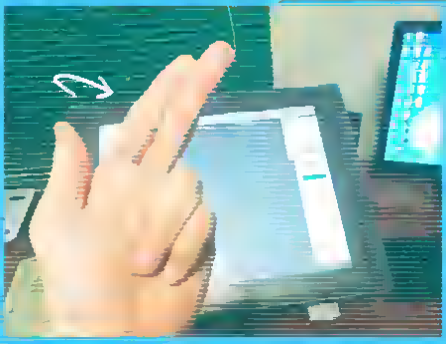


This is the open "Template" file. Those blue lines are guidelines to make panels more easily.

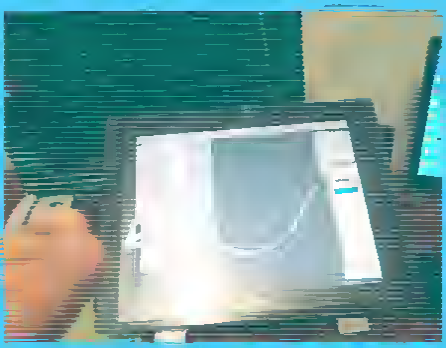
Now, the real work begins.

1. Panels, background drawing, & background coloring

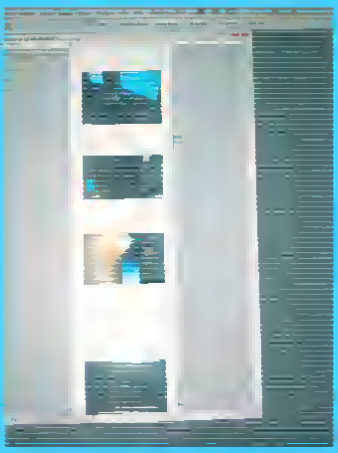




This is an especially important step.

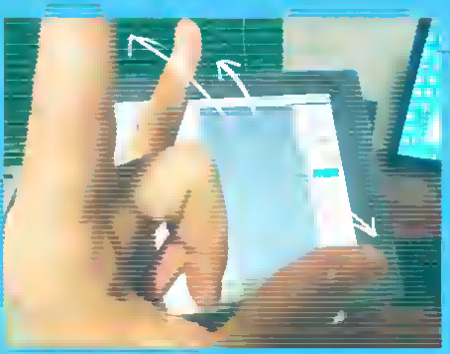


The moment that requires the most concentration



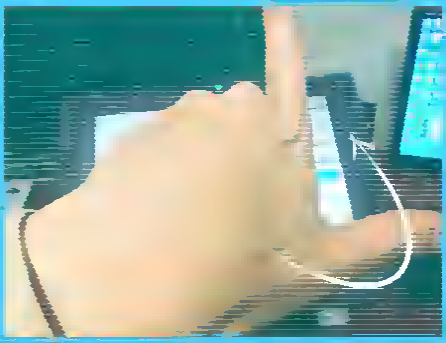
The panels and the background are all done. It's easier to draw the background and the characters separately.

2. Drawing and coloring the characters.

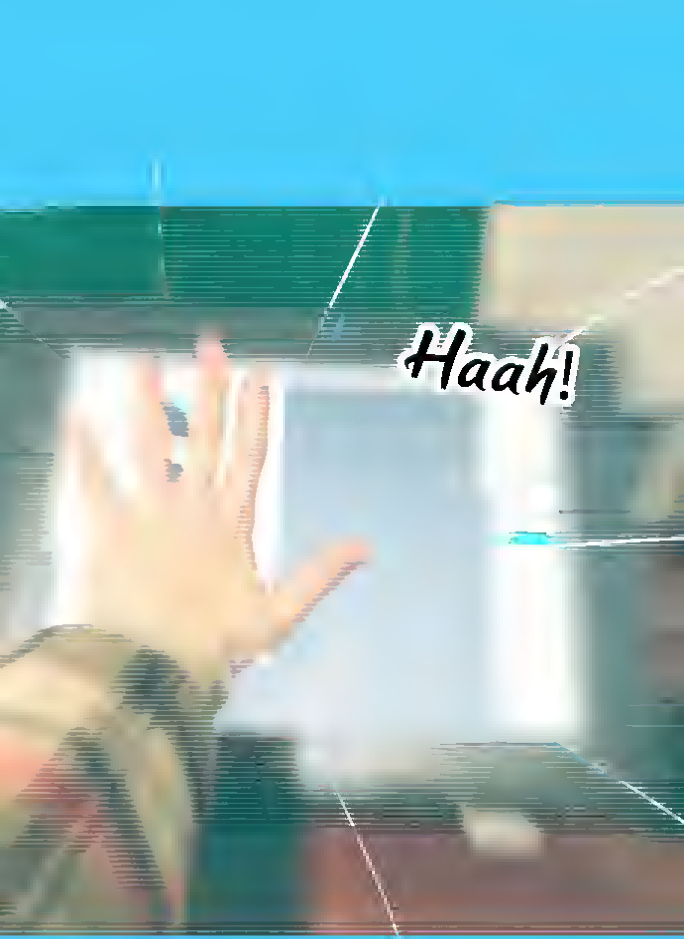


Drawing the characters can be a bit complicated. It requires extremely precise movements.

A fast spin



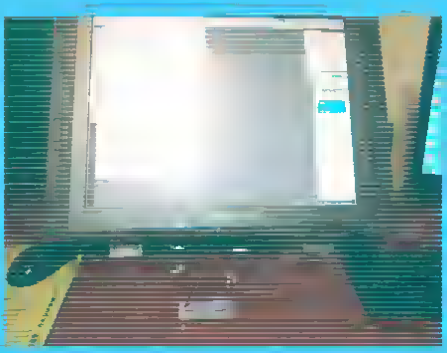
It's a bit difficult.



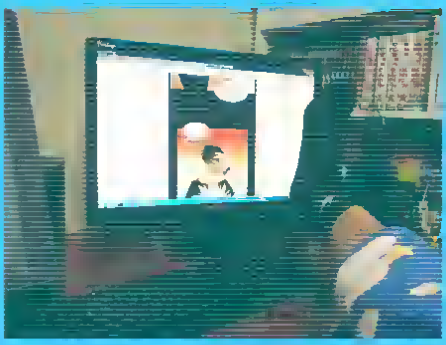
Haah!

Huu... and like so, the characters are all finished. We're almost done.

3. Text bubbles, text, lighting, and other finishing touches.



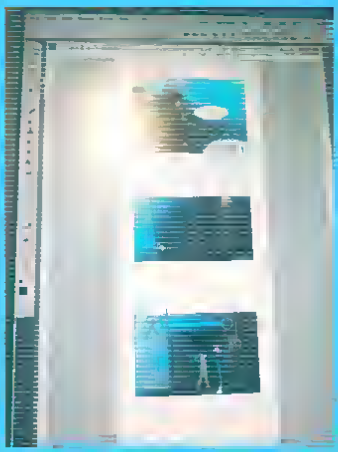
The last steps don't require much.
Just light some incense in
front of the tablet...



Then using the dual monitor next to it, assume
a comfortable position and read Superior Day,

...or MeloHolic from beginning to end.
Don't pay any attention to the
pants or the leg hair.

After an hour...



Finished.

FINISHED.

FINISHED.
